# What is USA Swimming?

## ***Mission Statement***

USA Swimming is the National Governing Body for the sport of swimming. We administer competitive swimming in accordance with the Amateur Sports Act. We provide programs and services for our members, supporters, affiliates and the interested public. We value these members of the swimming community, and the staff and volunteers who serve them. We are committed to excellence and the improvement of our sport.

## ***Vision Statement***

To inspire and enable our members to achieve excellence in the sport of swimming and in life.

## ***Core Objectives***

USA Swimming has adopted three core objectives. These core objectives establish the foundation of the strategic business plan for our sport. USA Swimming encourages all members to participate in the local, regional and national efforts to ensure that these objectives are accomplished.

**Build the Base** – We seek to expand our membership in order to share our sport with as many other people as possible. We are especially committed to sharing the values of our sport with young people who may discover that swimming is an activity they can enjoy for their entire life.

**Promote the Sport** – We want swimming to receive as much publicity as possible because we believe that the more people learn about our sport the more inclined they will be to join the ranks of our membership. We are proud of our sport and we seek to celebrate it whenever possible.

**Achieve Competitive Success** – USA Swimming has been ranked as the number one swimming nation in the world for more than 40 years. We seek to continue this tradition of competitive excellence. When our elite athletes are successful in fulfilling their Olympic dreams our society benefits from the inspiration these athletes give us.

## Year-round Athlete Outreach Membership

In 2009, there were 3,939 outreach members (which are included in the year-round athlete membership totals on pages 7 and 8). Outreach membership offers qualified individuals the opportunity to become a USA Swimming year-round athlete member at a reduced fee. The national fee for outreach membership is \$5.00 and the Local Swimming Committee has the option to set a local fee that may not exceed \$2.00. The goal is to provide opportunities in swimming to economically disadvantaged youth in the United States. Each Local Swimming Committee determines how they will qualify athletes for outreach membership. They may use but are not limited to national guidelines based on Federal Food Stamps, Free School Lunch and/or Federal Poverty Guidelines.

## Seasonal Athlete Membership

**Season 1 and Season 2:** At the option of the Local Swimming Committee (LSC), seasonal athlete membership may be offered for one or two periods of not more than 150 days per period. The beginning and ending dates of each seasonal period is determined by the LSC.

**Individual Season:** The LSC may also offer a seasonal membership for an unspecified but continuous period of not more than 150 days commencing on the date of registration. An athlete may be offered this membership for one or two periods within a registration year.

The seasonal membership program offers a competitive swimming program to those athletes who swim for only part of the year. They may compete in USA Swimming sanctioned and approved meets below Zone Championship level.

All seasonal athletes join USA Swimming through their LSC, one of 59 local organizations responsible for administering USA Swimming activities in a defined geographical area. Within each LSC, a designated Registration/Membership Chair is responsible for providing athlete information and applications to all interested individuals.

Seasonal athlete membership provides liability and secondary accident medical insurance coverage for the designated period of the membership.
