

2003 Swim-A-Thon® Results

In the 2003 year, over 500 Swim-A-Thons® were held across the country. Swim clubs use this fundraiser to help offset the costs of pool rental, equipment, travel, and other team operating expenses. Some teams go all-out and make this their one huge fundraising event of the year, while others utilize this as one of a number of fundraising opportunities for their members.

To recognize the highest earners, we have tabulated the following:

Swim-A-Thon® Champs Weekend

The athletes and coaches who will be attending the Swim-A-Thon ® Champs weekend in Colorado Springs, May 21-23:

Stephen Saeta	Rose Bowl Aquatics
Kaycee Phillips	Aulea Swim Club
Lindsay Pagard	West Coast Aquatics
Chelsea Solito	Indian Aquatic Club
Kirsten Adams	Alaska Pacific Swim Club
Tyler Reardon	Class Aquatics
Jon Wisniewski	Lake Oswego Swim Club
Caroline Bevallard	Athens Bulldog Swim Club
Lauren Blair	Santa Barbara Swim Club
Jennifer Rinker	Alaska Pacific Swim Club
Erin Metcalf	Blount Area Swim Team
Tracy Tucci	Kansas City Blazers

Coach Troy Emmons West Coast Aquatics
Coach Barbie Cahill Rose Bowl Aquatics

Those attending the Champs weekend are selected as follows: from all earners (12 years old or older) of \$1000 or more, the top 6 individual earners are automatically selected. The other 6 attendees are randomly selected from all the other \$1000 earners. If a swimmer earns \$1000-1499.99, his/her name goes into the random selection pool 1 time. If the swimmer earns \$1500-1999.99, his/her name goes in 2 times, between \$2000-2499.99 = 3 times, etc. The Champs participants spend a reward weekend in Colorado Springs swimming in the flume, being filmed in the 50 meter pool, and experiencing the stay at the Olympic Training Center.

The 2003 year was the final year for the Champs Weekend. Beginning in 2004, this is Swim-A-Thon® awards tier for **all individual participants earning the following amounts:**

\$500-749.99	t-shirt
\$750-999.99	towel
\$1000.00 +	bag

This is designed to be an incentive for swimmers to earn more, and we hope to be able to recognize and reward a far greater number of Swim-A-Thon® participants with this system.
