

USA Swimming Officials Committee
Open Water Sub-Committee

The Open Water Sub-Committee has the following responsibilities:

- Work with LSCs to improve and develop open water officiating at the local level
- Develop articles, presentations and other training documents to be used by LSCs and others to train open water officials
- Work with the Officials Committee Chair and the VP of Program Operations to identify meet referee candidates for national championship meets
- Work with the Officials Committee Chair and the VP of Program Operations to identify potential FINA list candidates
- Work with the Officials Committee Chair to develop and schedule regional open water training clinics
