Getting Started Is Easier Than You Think

Coaches are busy. Between practices, meets, facility challenges, parent communication, and everything else that comes with running a successful team, adding one more thing can feel impossible. That's exactly why Block Party was designed to be simple.

As the long-course season progresses, many clubs are looking for a final opportunity to help athletes achieve qualifying times for upcoming LSC Championship meets or to host a season-ending meet for non-qualifiers. A Block Party meet can provide that opportunity with minimal administrative burden and maximum flexibility.

Block Party meets are completed in just a couple of hours and require far less planning than coaches expect.

The hardest part is deciding to do the first one. Are you interested in learning more? Check out the Block Party website [here](#) to get started.
