- ❖ Athletes who have represented USA Swimming internationally in a pool competition are not eligible for camp.

Selection Criteria:

The camp will consist of 48 athletes from each competition category (male/female). Athletes will be selected by the following method.

- ❖ The fastest three available athletes in each Olympic pool event.
- ❖ The top six IMX scoring athletes in the specified seasons.

Additional 2020 Selection:**

3 athletes from each competition category (male/female) will be selected based on results from the 2021 USA Swimming Open Water Junior Nationals by the following:

- ❖ The top two available 17 & under finishers in the 7.5k
- ❖ The top available finisher in the 5k

Additional Information:

- ❖ Doubles will be resolved by placing the athlete in their highest HY-tek power point event.
- ❖ Pool selection will take preference over open water selection.
- ❖ The pool event qualifying period is January 1, 2019 until August 31, 2020.
- ❖ The IMX qualifying seasons are as follows:
 - LCM 2019 (Female- Ages 13-14; Male- Ages 14-15)
 - LCM 2020 (Female- Ages 14-15; Male- Ages 15-16)
- ❖ IMX qualifiers will be selected by looking at both seasons combined.

*excluding swimmers who qualified for the National Team and/or National Junior Team for Open Water.

**If a swimmer is qualifying based on the Open Water Junior Nationals Championship, then they cannot have qualified for the National Team and/or National Junior Team for Open Water or the pool OR represented USA Swimming internationally in an open water or pool competition.
