

## 2022 CLUB EXCELLENCE PROGRAM INFORMATION & REQUIREMENTS

### **Club Excellence Program Recognition Levels**

Clubs may qualify for one of three levels of recognition:

1. Gold
  - The top 20 point-scoring USA Swimming member clubs in 2022; and
  - All clubs with a 2020 Olympic Games qualifying athlete.
  - A minimum of one 18 & Under athlete from the club must achieve a Gold time standard.
2. Silver
  - USA Swimming member clubs who do not achieve Gold status and rank in the top 21-100 point scores in 2022.
  - At least one 18 & Under athlete registered with the club must achieve the Silver time standard.
3. Bronze
  - USA Swimming member clubs who do not achieve Gold or Silver status and rank in the top 101-200 point scores in 2022.
  - At least one 18 & Under athlete registered with the club must achieve the Bronze time standard.
4. Podium Club
  - Any club achieving the Gold Medal level for a fourth consecutive year will earn additional recognition by being named to the Podium Club.

Club Excellence funding will be determined at a later date.

### **Club Eligibility Requirements**

1. To be eligible for the 2022 Club Excellence Program, member clubs must have successfully completed at least Level 1 of the Club Recognition Program. Please be aware completion of Level 1 may require a time commitment. Information can be found on the USA Swimming website at [www.usaswimming.org/clubrecognition](http://www.usaswimming.org/clubrecognition).
2. To be eligible for the 2022 Club Excellence program, member clubs must have initiated completion of the USA Swimming Safe Sport Club Recognition program. Information can be found on the USA Swimming website at [www.usaswimming.org/ssrp](http://www.usaswimming.org/ssrp).

### **Athlete Eligibility Requirements**

1. Athletes must be USA Swimming members at the time of all performances to be included in point scoring.
2. Athletes must be 18 years old or younger at the time of all performances to be included in point scoring.
3. Athletes must be U.S. citizens who are eligible to represent the USA in international competition(s).
4. Article 203.3 (120-day rule) applies. Only times swum while an athlete legally represented a team in competition will be included. Any time swum while an athlete was unattached will not be eligible for consideration.
5. An athlete's times are not eligible if the athlete trained or competed with a collegiate program (e.g., NCAA, NJCAA or NAIA) prior to August 31, 2021. Performances from athletes who have not begun their freshman year in college (e.g., high school seniors who graduated from high school in May/June 2021 and started college in August/September 2021) are eligible to represent their clubs in the Club Excellence program.
6. All clubs awarded recognition in the 2022 Club Excellence program must have at least one 18 & Under athlete who achieves the time standard in the level at which the club is recognized.

7. All performances must be achieved between September 1, 2020 through August 31, 2021, be LCM times (unless open water achievement is considered per the below) and must be verifiable within the USA Swimming Times database.

**Performance Scoring Information**

1. Performance scoring for Club Excellence will be an automated process and therefore will not require an application. Each team's total score will include all qualifying athletes who are registered to that specific USA Swimming member club on the date of the swim.
2. Only an athlete's four highest scoring events (which equal or better these standards) will count toward the USA Swimming member club point score using the FINA Points Table, a power point rating system that assigns point values to swimming performances. Open Water events will count towards an athlete's four scoring events.
3. World Record swims in the individual events listed in the time standard chart will be rewarded with an additional 1,000 points per world record.
4. To be eligible to score points, athletes must achieve a Gold, Silver or Bronze standard as shown in the chart above. Points for Gold level swims will be multiplied by a factor of 2.0; points for Silver level swims will be increased by a factor of 1.5. All performances must be long course meters; no conversions accepted.

**Rules for Promoting Club Excellence Achievements**

Medal recognition and status is for one year only and in 2022, status will go through December 31, 2022. The Club Excellence program is designed to be a competitive contest between USA Swimming member clubs whereby teams earn (and re-earn) their ranking each year. Every year produces a different group of clubs that earn exclusive benefits. To protect the integrity of this competition, it is important clubs follow the stated promotional guidelines and annually update its website with the logo earned that calendar year.

- Recognition includes a vinyl 4' x 6' team banner and a results announcement on USA Swimming's official website and social media platform(s).
- USA Swimming member clubs may use the USA Swimming Gold, Silver, or Bronze Medal Club designation and logo through December 31 of the program year. It may also be displayed on the USA Swimming member club's website, social media, club advertising and promotional materials, team letterhead as well as team apparel.
- After the status expires, USA Swimming member clubs may make ongoing use of vinyl team banner(s) and Club Excellence logo(s) on its respective club webpage or rotating banner specifically featuring current and past team accomplishments. All use of the Club Excellence logo must reflect the relevant year and recognition level (Gold, Silver or Bronze) in accordance with these rules.
- By receiving Club Excellence recognition, the club acknowledges these rules and agrees to abide by them. Failure to comply could impact the USA Swimming member club's future eligibility to participate in the program.

**Anti-Doping Provision**

All clubs, coaches, swimmers and their related performances shall be eligible for consideration under the applicable and relevant rules of USA Swimming, the USOC, FINA, USADA and WADA (see Article 303). This requirement is acknowledged without reservation and unequivocally upon submission of the application for the Club Excellence Program.

If, subsequent to submitting the application, a swimmer ceases to be eligible to compete for violations of Article 303, that swimmer and their related performances shall be disqualified from the program and the application shall

be reviewed by USA Swimming for possible additional action. Such action may include, but not limited to, recalculation of results, return of awards, return of grant dollars and/or suspension from the program in future years.

**Timeline for 2022 Club Excellence Program**

- October 18, 2021 – USA Swimming member club rankings announced by USA Swimming; Clubs receiving grant funding to be notified.
- December 17, 2021 - Grant funding distributed.
- February 1, 2021 - Banners to be distributed to Gold, Silver and Bronze level USA Swimming member clubs.

Note: Any club eligible for a monetary grant or award for the 2022 Club Excellence program must have submitted all receipts for previous Club Excellence grants before any money will be disbursed for the 2022 program.

**Best Practices Data Collection**

Club Excellence program participants agree to participate in periodic information gathering surveys conducted by USA Swimming.
