

USA Swimming Summer League Education FAQs

Why do members have a separate login?

USA Swimming members must log in through their membership portal so that credit for the courses is recorded in their membership accounts. Members are also eligible for special discounts on education.

Can I purchase courses in bulk for my team?

Yes! There is a bulk purchase option in both storefronts, and administrators can assign courses to individuals once the purchase is complete. *Bulk purchases in the University Catalog must be for USA Swimming members only. Bulk purchases in the Summer League catalog must be for non-members of USA Swimming only.*

Is there a certificate upon completion?

Yes, certificates will be emailed to the learner after they pass the test at the end of each course.

How long are the courses?

Summer League Coaching is about 90-minutes long, and the officiating courses are 60-90 minutes. Courses are self-paced and progress will be saved if you leave and come back later.
