Summer League Coaching

A 90-minute, self-paced online course that covers:

- The principles of quality coaching
- Fundamentals of stroke
- Strategies for working with kids
- Communication with parents and other coaches
- Practice and season planning

This course is designed for new and returning summer league coaches who are looking to grow their skills and provide the best possible experience for their swimmers.

Officials' Education

Offered for the four main officiating roles:

- Stroke and Turn Judge
- Starter
- Administrative Official
- Referee

These courses are based on the USA Swimming rulebook and offer a skills-based approach to officiating. There is an exam at the end of each course to test knowledge.
