

Membership Registration: In Meet/On Deck LSCs – Birth Certificates

For LSCs that allow in-meet or on-deck registration for athlete members **and** require a birth certificate for registration, please note that the birth certificate is to be used for verifying the athlete's age with the information on the membership form. It is not to be used to verify an athlete's gender.

502.4.7 Individual Membership

An LSC shall not impose requirements for Individual Membership in addition to those set forth in Article 502. An LSC may require proof of birth date prior to competition in age classified events.

If an athlete requires a waiver of any kind, this must be obtained by the Chair of the Rules and Regulations Committee BEFORE the athlete can compete.
