Quick Facts

What: 2019 World University Games

When: July 4-10, 2019 (Swimming)

Where: Naples, Italy

Scandone Swimming Pool

Format: Long Course Meters (50m)

About the World University Games:

The World University Games is the American term for "Universiade," an international multisport event organized for university athletes by the International University Sports Federation (FISU). The Universiade is an international sporting and cultural festival, staged every two years in a different city around the world, representing both winter and summer competitions.
