OUTREACH ATHLETE MEMBERSHIP

In 2025, there were 8,350 Outreach members (which are included in the Premium athlete membership totals on pages 10 and 11). Outreach membership offers qualified individuals the opportunity to become a USA Swimming year-round athlete member at a reduced fee. The national fee for outreach membership is \$5.00 and the Local Swimming Committee has the option to set a local fee that may not exceed \$2.00. The goal is

to provide opportunities in swimming to under-represented and/or economically disadvantaged youth in the United States. Each USA Swimming registered club determines how they will qualify athletes for outreach membership. They may use but are not limited to national guidelines based on Federal Food Stamps, Free School Lunch and/or Federal Poverty Guidelines.

All Flex athletes join USA Swimming through Online Membership Registration with their Local Swimming Committee (LSC) or their club. There are 59 LSC's and each one is responsible for administering USA Swimming activities in a defined geographical area. Within each LSC, a designated Registration/Membership Chair is responsible for providing athlete registration information to all interested individuals.

Flex athlete membership is for a calendar year period (January- December). New athlete memberships processed on or after September 1 are valid through December 31 of the following year. Flex membership is an option for all LSCs and clubs; they are not required to offer it.

Flex athlete membership provides liability and secondary accident medical insurance coverage.

Individual Seasonal Athlete Membership

The LSC has the option to offer individual seasonal memberships for a validity period of not more than 150 days commencing on the date of registration.

An athlete can only register as an individual seasonal athlete one time within a registration year. If they would like to extend their membership beyond the individual seasonal membership, they are required to Upgrade to Premium and pay the difference.

The individual seasonal membership program offers a competitive swimming program to those athletes who swim for only part of the year. They may compete in USA Swimming competitions below the Zone Championship level.

All individual seasonal athletes join USA Swimming through Online Membership Registration with their LSC/club, There are 59 LSC's and each one is responsible for administering USA Swimming activities in a defined geographical area. Within each LSC, a designated Registration/Membership Chair is responsible for providing athlete registration information to all interested individuals.

Individual Seasonal athlete membership provides liability and secondary accident medical insurance coverage for the designated period of the membership.

Please note: Beginning in 2025, Season 1 and Season 2 membership types were discontinued and replaced by a single Individual Season membership. 2024 numbers for these categories are combined to determine the comparison between 2024 and 2025. 52 out of 59 LSC's offered individual season athlete membership.

Non-athlete members are coaches, jr.coaches, officials, jr. officials, board members, parents and other individuals who do not swim. Non-athlete members can be designated as one or more registration types; coach/official, coach/official/other, official/other, administrator.

All non-athlete membership categories provide liability and secondary accident medical insurance coverage, and, in addition, members receive complimentary issues of Splash (when in circulation), the official USA Swimming magazine.
