d.iv.1. Championship Meet Discussion Groups- email from Michael White of Wisconsin suggesting that coaches could have some meaningful networking regarding championship meet formats. The committee was highly in favor of this idea. Discussion was held regarding the idea; the committee stressed the focus of this quad is coach leadership in the LSC. It was also noted that many times great ideas form coaches need further BOD/Volunteer support to come to fruition. It was suggested that possible time could be set aside after the Mighty Reunions at Convention for anyone who wanted to informally network with other LSC members. Coach reps, Age Group and Senior Chair could be invited to the Mighty reunion. Other ideas included a social, setting up a zoom call, etc. Laura will contact Michael and suggest that he take the idea and run with it and focus his efforts on one or two main ideas.

- Other Business- none presented
- Closing- Laura mentioned the idea that was discussed at the January meeting- of each subcommittee creating a calendar of tasks, the committee was not in favor of a formal calendar at this time.
