U.S. Athlete Storylines

usaswimming.org | @USASwimming | @USASwimmingNews | #FINAAbuDhabi2021

Keeping the Streak

The U.S. has posted the most total medals in each of the last five editions of the competition, and has had the most gold medals in each of the last six editions. In total, the U.S. has 118 gold and 306 total medals in the competition's history, more than any other country in either category.

Olympic Momentum

The competition marks the first senior-level U.S. team trip after the Olympic Games Tokyo 2020. There are 15 U.S. Athletes who competed in Tokyo last summer and will make an appearance at the FINA Swimming World Championships (25m):

Claire Curzan	Michael Andrew
Kate Douglass	Zach Apple
Katie Grimes	Michael Brinegar
Torri Huske	Nic Fink
Lydia Jacoby	Zach Harting
Paige Madden	Tom Shields
Abbey Weitzeil	Kieran Smith
Emma Weyant	

Following Up

The U.S. dominated the 2018 FINA World Championships (25m), posting 37 total and 17 gold medals. Michael Andrew, Zach Harting, Ryan Held, Melanie Margalis and Kieran Smith all competed at the event in 2018, combining for 14 medals between the five of them, and will look to follow up on their strong performances.

Fink Looks to Add to Short Course Resume

Nic Fink will again take the short-course-meter stage, coming in with a decorated list of short-course-meter accomplishments that features American records in the 50-, 100- and 200m breaststroke events. He represented the U.S. at the 2018 FINA World Championships (25m), but is still searching for his first medal in the competition. Fink is slated to compete in all three of his record-holding events (as well as the 100m I.M.) in Abu Dhabi.

Weitzeil's Winning Ways

Fink is not the only short-course meter American record holder to compete in Abu Dhabi, as Abbey Weitzeil will put her 50- and 100m freestyle record times in the spotlight. Weitzeil, who competes for the LA Current in the International Swimming League (ISL), has finished first or second in the 50m freestyle (short course meters) in all of her ISL matches she has swum the event in this season.

Pool & Open Water Versatility

The U.S. contingency competing at the FINA World Championships (25m) will not be the only cohort of American swimmers in Abu Dhabi, as a team of open water athletes will be competing in the FINA Marathon Swim Series in Abu Dhabi from December 15-16. Eight Americans will swim in the open water competition, two of whom (Michael Brinegar and Katie Grimes) will then go on to compete at the World Championships afterwards.

Shields' Stretch of Success

Veteran butterflyer and U.S. National Team member Tom Shields has been on an incredible run of podium-finishes over the past few months. He finished second in the 100m butterfly at June's U.S. Olympic Team Trials - Swimming, earned a gold medal at the Olympic Games Tokyo 2020 in July and then captured 14 medals across four legs of the FINA Swimming World Cup in October.

Team USA By the Numbers

The U.S. roster features a large California presence, as it is the only state to have four natives make the roster, while California Aquatics is the most-represented club with three athletes. A more in-depth look at the U.S. roster can be found below:

Ranking	Male	Female	Team
Team Size	13	14	27

# of Olympic Medalists	5	8	13
# of Olympic Gold Medalists	4	3	7

At the start of the competition, Tom Shields (30) will be the oldest member on the men's side, while Melanie Margalis (29) will be the oldest female. Katie Grimes (15) comes in as the youngest U.S. female while Carson Foster (20) will be the youngest male.

Hobbies Outside the Pool: "Reading, watching movies, hiking, surfing, snorkeling, water skiing (anything with water!)"

Most Influential Person: "Two people I admire most: My Grandfather — I look up to my grandpa Charles because his philosophy on sports and life has taught me to enjoy the ride instead of worrying about the outcome. Dana Vollmer — Dana is amazing in so many ways. She is an incredible athlete, mother, wife and inspirational speaker. In chasing her Olympic dreams, she overcame many obstacles like not making the team one year, and then coming back the next Olympics to win Gold. She won a Bronze medal at the 2016 Olympics after having given birth to her first son. She took the time to send me a text and video before my first Olympic Trials and then Olympics. When I struggled she seemed to know exactly what to say to put me at ease and remind me that all swimmers go through it. Her advice on what to do is always helpful and her concern is always genuine."

I had to have surgery on it after NCAA, and was out of the water for three and a half months! I was in a cast for six weeks, then in a non-weight bearing boot for another six, and finally I was able put some pressure on it and walk again! My left foot, calf, and thigh shrunk dramatically in size from all the muscle loss. I worked all summer to gain the muscle back by doing one-legged squats, calf raises, and just balancing!"

Most Influential Person: "My biggest role model is my mom. She works tirelessly to take care of my siblings and myself and to make sure that we have/had every opportunity available to us. I wouldn't be the swimmer nor the person I am today if it weren't for her and I am so incredibly grateful."

Favorites: race: "My most memorable race thus far has been my 200 fly at 2019 Junior Worlds in Budapest, Hungary. The Duna Arena is an incredible facility, and walking out for my race, I remember looking around at all the girls in the other lanes and thinking about how amazing it was that we were all from different countries together in the same heat. I had never been in an international meet before and I was truly in awe. Prior to then, I was always a nervous wreck before racing, but in that moment I told myself to enjoy every second of it, and I did. That memory will always hold a special place in my heart."

It was just super crazy and surreal. The most fun race, and probably most emotional, was the women's 4x100 medley at the Olympics when we got second to the Australians by .13 and swam under the previous Olympic record."
