# *HOW TO OPT-IN TO BULK RENEWAL GUIDE*

For the 2024-2025 Season, USA Swimming clubs can now choose how they renew their athletes and non-athlete members. By August 25th, clubs will need to select whether they want to accept the responsibility of renewing their members OR let their members self-renew.

This guide is to help those who want to opt-in for bulk renewal for their existing members.

- **The opt-in period will be open until August 25th, 2024 at 10pm MST.**
- Anyone listed as a Head Coach and/or Club Admin can complete the opt-in process.
- **A “NO” response will default to all club members (athletes and/or non-athletes) for the self-renewal process.**

After September 1, SWIMS will reflect what clubs have chosen on how members renew for the 2024-2025 year. **New members or previous members who did not register for the 2023-2024 season, will still need to create a new SWIMS account.**
