

The “Professional” Chief Judge – or – Assistant and Mentor to All Officials

1

A Professional Chief Judge (CJ) should:

1. Know the Rules and the USA Swimming Rules Committee interpretations

2. As Team Lead Chief Judge Plan Prior to Arriving at the Meet -

- Contact the Meet Referee based on the level of the meet being conducted to confirm -
 - all duties for the Chief Judges (see Attachment A “Guide for CJ Assignments”)
 - type and use of cameras (TV, timing, underwater judging confirmation), if any
 - pool configuration and locations for starter area and administrative tables
 - the jurisdiction and protocols expected from the Stroke & Turn officials
 - the process how officials will take and leave their deck positions including awards
 - the level of Stroke Briefing expected
 - use of Relief and Reserve Judges
 - the proper procedure, if relay takeoff pads are used for relays
 - use of assigned Chief Judges (or not) for Time Trials
 - radio protocol expected
 - how Declared False Starts (DFS’s) will be processed before and during a session
 - procedures for how Deck Referees and admin table will receive DQ, DFS’ and “No Show” slips for review and sign off
 - finals protocol for alternates so the Chief Judge in Starter’s area can assist the Deck Referee
- Contact the Host and Meet Director to determine (and request) the availability of meet supplies, equipment and services -
 - Radios, clipboards, watches, batteries, disqualification (DQ) slips, paper, chairs, towels, pencils, high-speed copier(s)...etc.
 - Internet access and printers
 - Social time and date, if any
- Communicate all of the above with the CJ team for initial assignments before they arrive at the meet including when they are expected to arrive at the meet (Leadership Team Meeting, Chief Judge Meeting, attendance at General Meeting)

3. Plan Prior to Officials Briefings

- ARRIVE EARLY and be prepared for last minute changes
- All Chief Judges meet upon first arrival at meet to:
 - Review assignments & duties
 - Confirm location of equipment items
- All Chief Judges should allow for approximately one hour before each planned briefing to -
 - Review assignments and prep for each session’s requirements
 - Review and resolve all assignment challenges
 - Prepare sign in sheets

4. At Pre-Session Officials Meetings -

- Call for sign in of all Officials and verify if they will be present for the next session and announce:
 - the expectation that Officials will be staying for Time Trials and start a sign-in sheet
 - ask Starter or Deck Referee evaluation candidates to meet with the evaluators if they have not met already
 - the time to be on deck and in position
- Introduce the Meet Referee, Meet Director and the Assigned Team (usually at the first meeting)
 - STOP the briefing whenever a dignitary enters the room for introduction, especially if there is a guest speaker
- Conduct a stroke briefing using the “Official’s Briefing” on USA Swimming website under “Training Resources”
- Review Deck Protocol expected for the meet
- Review Proper Lead Lag procedure for Stroke Officials
- Review Jurisdictions, including 15m
- Review the Chief Judge’s role and how to communicate with the Lead Chief Judge and Deck Referees
- Review Relay Takeoff’s, Dual Confirmation and X = Early Take Off, O = Good Exchange
- Announce and post Officials’ Assignments in multiple locations
- Announce Relay Take-Off assignments & hand out relay take-off slips
 - Relay take-off slips may be passed out during the relay break, if there is one
- Make sure relief shifts and rotations are clear and when the relief shifts will take place during the session
- Distribute heat sheets to CJs, Deck Referees and Starters

5. During Competition:

- Perform a radio check prior to the beginning of each session
- Advise the Deck Referee that all judges (turn and stroke) in your quadrant are in place (several minutes before the session start)
- Get to know the officials in your quadrant
- Use a mentoring approach when talking to a Stroke or Turn Official that is out of position or using improper protocol
- Always observe the officials in your quadrant, not the swimmers
- Use the Stroke Judges to carry DQ slips from the turn end when things get “busy”. Make sure the Strokes Judges are familiar with this procedure

- When assigned as the CJ in the Start Area:
 - write up dual-confirmed false starts (hand the DQ slip to Starter first as they initiated the DQ)
 - process “no-show” and “Declared False Start” slips according to the protocol verified in meet preplanning
- Know, and use, the Radio Etiquette and Protocol guidelines on the USA Swimming website
 - Be aware of other radio communication to avoid “talking over” each other while calling in infractions
 - Use the correct terminology when calling in infractions
 - Halt radio communication once the Deck Referee has blown the short whistles. Resume after waiting for any “False Start” or “No Show” calls by the DR in the heat
- Alert the Deck Referee by radio of a possible disqualification as soon as an official in your area of responsibility raises a hand or makes eye contact (depending upon protocol for the meet) by using the following announcement:
 - “Possible disqualification, Stroke Judge Lane 1 or Lane 8 Side”, and quickly identify the lane, if possible
 - “Possible disqualification, Lane X start / turn end” (or range of lanes, if turn judges cover more than one lane). In many meets the event number and heat number may also need to be announced (more than one course, “chase” starts, etc.)
- When approaching the official, make sure you ask
 - What is your jurisdiction? You want to make sure the infraction occurred in the official’s jurisdiction
 - Which Lane? Immediately identify the lane to the Deck Referee
 - What did you see? You want the official to explain what they saw without using their hands
 - What is the rule? You want to make sure that the official has an understanding of the rules

If there is an obvious incorrect call (jurisdiction or rule) or “uncertainty”, the official may withdraw the call. If this occurs, inform the Deck Referee. The Deck Referee should then ask for the swimmer to be released, if being held at the finish end.
- Report the infraction to the Deck Referee slowly, clearly, and concisely using Rulebook language
- State “I recommend” (after reporting the infraction) or state “I need further discussion”
 - If “I need further discussion” is requested it means the CJ has reasonable doubt about the infraction and needs to speak to the Deck Referee privately, not over the radio
 - If the Deck Referee asks “questions”, the CJ is responsible for obtaining specific information necessary for the Deck Referee to make a decision
 - If the Deck Referee states, “I need further discussion”, this means that the DR has a reasonable doubt about the infraction and needs to speak to the Chief Judge privately
 - If a discussion with the DR is needed, other CJs should cover your jurisdiction while meeting with the DR
- Make sure to get acceptance confirmation from the Deck Referee before filling out the DQ slip
- Initial the bottom of the DQ slip and ensure that the Stroke or Turn Judge (not the CJ) prints their name on the DQ slip
- Hold the swimmer and notify them of the DQ. Work as a team, a CJ from another deck area may need to assist with this task.
- When notifying athletes, respectfully state, “You were disqualified for.....” The CJ should never coach, give a personal opinion, or add extraneous information. If the DQ has not been finalized, move the swimmer away from the start and advise, “There is a possible issue with your swim. We are waiting on details.” The Deck Referee will convey further instructions
- Report that the swimmer has been notified
- for Relays:
 - Check the take-off slip of the judge or judges nearest your location
 - If there is one or more X, announce a possible disqualification and the lane(s). Announce, “Lanes n to m clear” if there are no Xs
 - Go to the other Judge and compare the second take off slip
 - Announce either, a dual confirmed Early Take Off, lane number & which swimmer or, “All clear Lanes 1 to 4 or Lanes 5 to 8”

6. At the End of the Session

- Collect equipment (radios, bells, lap counters, clip boards, watches and pencils)
- Collect “Order of Finish” heat sheets and any “master” heat sheets from Deck Referees and Starters, if being used
- Collect lane Timer Sheets and take them to the Administrative Referee (Official)
- Plan for a post-meet session to debrief and prepare for the next session, as needed

7. After the Competition

- Thank all the officials
- Complete requested evaluations as assigned
- Collect all sign-in sheets for input into OTS
 - Deliver sign-in sheets to person(s) responsible for OTS data for the meet
 - Remember to include Time Trials
- Remember to mentor in a constructive manner if there is a need to talk to an official about suggestions for improvement
- Thank your CJ colleagues and yourself for a job well done. You’ve completed an assignment which had a great influence on the success of the meet

REMEMBER: You are working with volunteers. Adopt a kind and thoughtful mentoring approach at all times.
