The Notice shall state the action to be taken, the time by which a Director must respond, that failure to respond by the time stated in the notice will have the same effect as abstaining in writing by the time stated in the notice and failing to demand in writing by the time stated in the notice that action not be taken without a meeting, and any other matters the Corporation determines to include. Action is taken under this Section 504.142 only if, at the end of the time stated in the Notice, the affirmative votes in writing for such action received and not revoked equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the Directors then in office were present and voted, and the Corporation has not received a written demand by a Director that such action not be taken without a meeting other than a demand that has been revoked.

A Director’s right to demand that action not be taken without a meeting shall be deemed to have been waived unless the Corporation receives such demand from the Director in writing by the time stated in the Notice and such demand has not been revoked. Any Director who in writing has voted, abstained, or demanded action not be taken without a meeting pursuant to this Section 504.142 may revoke such abstention, or demand in writing received by the Corporation by the time stated in the Notice.

All communications under this Section 504.142 may be transmitted or received by the Corporation by facsimile, e-mail or other form of electronic communication. Action taken pursuant to this Section 504.142 has the same effect as action taken at a meeting of Directors and may be described as such in any document.

R-17 Action: Adopted Defeated Adopted/Amended Tabled Postponed Pulled

Location: Page 134 506.1 Committees and Coordinators

Proposed by: Rules and Regulations Committee

Purpose: Four years is a long time to go with a committee member who fails to attend meetings or otherwise contribute. Practically speaking, few chairs want to go through the unpleasantness of asking the Board to remove such a member. This legislation seeks to make the removal automatic and allow for the appointment of someone who will contribute. It is likely that those who are not attending the meetings or contributing in some capacity will not bother appealing their removal.

Recommendation: The Rules & Regulations Committee recommends approval.

506.1 COMMITTEES AND COORDINATORS

.1 Standing committees of USA Swimming shall be as listed in this Article.

.2 Except for those individuals who qualify for their positions under some other provision of Article 506:

A Non-athlete committee members shall serve four-year terms except as noted herein.

(1) A non-athlete member who accumulates more than two unexcused absences shall forfeit his/her committee position. The President shall appoint another non-athlete to fill the remainder of the term.

(2) After a warning from the Committee Chair, a non-athlete member who continues to fail to contribute or fulfill assigned duties in a timely manner shall forfeit his/her committee position. The President shall appoint another non-athlete to fill the remainder of the term.

(3) A member who is considered to have forfeited his/her committee position shall be notified in writing by the Chair of the committee. The member shall have two weeks to appeal the decision to the USA Swimming Board of Directors.

B Non-athlete committee members’ terms shall be staggered so that one-fourth of all non-athlete members are appointed each year by the President following the annual meeting of the Corporation.

C Committees other than athletes committees shall consist of volunteer members of USA Swimming who are not voting members of the Board of Directors. The President may appoint voting members of the Board of Directors as Ex-Officio, non-voting members of committees that are normally appointed by the President. Athlete members and non-voting members of the Board of Directors shall be exempt from this rule. [effective August 22, 2016]

D In the event of a vacancy on a committee caused by any reason, the person/organization responsible for the appointment shall select the person to fill the vacancy for the remainder of the term. If the vacancy occurs in an elected committee position, the President, in consultation with the Committee Chair, shall appoint a replacement to serve the remainder of the term. [effective August 22, 2016]

E Committee members shall be subject to removal prior to the expiration of a term only by the Board of Directors.
