1. The legislative items will be considered in block order.

2. Section A will be considered one item at a time. Sections B and C will be considered (one section at a time) as omnibus motions, except for those items pulled for discussion. Within each block, delegates will be given the opportunity to pull items. Changes to the rules adopted because of changes by FINA are informational only and are not included in any block.

3. Items pulled will be considered in numerical order after the respective omnibus motion.

4. Omnibus motions are in the affirmative as motions to approve the block of items.

5. Other motions should generally be stated in the affirmative.

6. Any amendment requires simple majority for approval. The subsequent amended main motion will require the original percentage (majority, 2/3 or 90%). An entirely new item will require 90% for adoption.

7. If you wish to speak, please move to an available microphone. Once recognized by the Chair, please identify yourself by name and LSC or committee.

8. When a badge count is used, please raise your hand high and keep it still until the count is complete. During a badge count, please do not move from your original position.

9. A main motion may only have two amendments pending at any one time.

According to *Robert*, “an amendment must be germane to be in order. To be germane, an amendment must in some way involve the same question that is raised by the motion to which it is applied. A secondary amendment must relate to the primary amendment in the same way. An amendment cannot introduce an independent question; but an amendment can be hostile to, or even defeat, the spirit of the original motion and still be germane.”
RESOLUTION TO GRANT AN EXCEPTION TO THE 120-DAY RULE FOR ATHLETES DISPLACED BY HURRICANE FLORENCE AND SUBSEQUENT DISTASERS

September 29, 2018

Due to the extraordinary and monumental devastation and destruction of Hurricane Florence, USA Swimming recognizes that member athletes have been displaced from their homes and clubs;

Further, USA Swimming believes enabling displaced athletes to be included as part of a team is important in recovery;

Therefore, be it resolved that, pursuant to Articles 507.2.8 and 511.1.3 of the Rules and Regulations of USA Swimming, USA Swimming establishes the following procedure to grant a temporary exception to the 120-day representation rule set forth in Article 203.3 of the Rules and Regulations of USA Swimming:

1. By November 1 or within thirty (30) days of beginning workouts with a new club, an athlete must submit the following information to USA Swimming Member Services for verification: His/her name, date of birth, Hurricane Florence FEMA number, club most recently represented and club which he/she wishes to represent.

2. Member Services will notify the Rules & Regulations Committee Chair of the eligibility facts. The Chair, or his designee, shall make the final determination, which shall be binding without right of appeal.

3. Each USA Swimming-approved transfer request under this resolution shall be exempt from Article 203.3 (the 120-day rule) and transfer effective immediately.

4. Each athlete whose transfer is approved pursuant to this resolution may, at any time within one year of passage of this resolution, return immediately to representing his/her original club or, if the original club is disbanded, any other club in the original LSC.

5. This resolution will take effect immediately upon approval by the USA Swimming House of Delegates and expire at the close of business of the House of Delegates meeting in 2019.

6. USA Swimming staff and the Rules & Regulations Committee Chair are authorized to follow a substantially similar procedure, as applicable, for any subsequent instances of devastation and destruction that may occur between now and the House of Delegates meeting in 2019.

.3 Additionally, the Rules & Regulations Committee may alter, amend, or repeal any portion of Part One or Part Seven of the USA Swimming Rules and Regulations at any time to conform to the rules of the Federation Internationale de Natation (FINA).

.4 AMENDMENTS PROPOSED

A By Whom Proposed — An amendment to the USA Swimming Rules and Regulations may be proposed only by an LSC, a duly constituted committee, a member of the USA Swimming House of Delegates as identified in Article 506 of the Corporate Bylaws, the Board of Directors, the National Board of Review, or any Allied or Affiliate Group Member.

B Form Required — Every proposed amendment to the USA Swimming Rules and Regulations shall be in such form as to show the entire section as it will read if adopted, with any changes in existing language single underlined if new and lined out (struck through) if deleted. Each amendment shall be accompanied by a concise, but informative rationale for adoption and for the proposed effective date. In addition, the name, address and telephone number of the proposer must be included (if the proposer is an entity, the name, address and telephone number of an authorized spokesperson with authority to agree to changes in the proposed amendment).

Recommendations under this Article may be for or against adoption, a statement of no recommendation, or a recommendation to commit the proposal to a USA Swimming Officer or another USA Swimming Committee or the proposer for further consideration.
