D. Liability Provisions in Club Contracts:

Almost every USA Swimming Member Club is a party to a contract with an owner of a swimming pool, public or private. Almost all USA Swimming Members, including LSCs and the national organization itself, will, at one time or another, enter into contracts for the use of a swimming venue for a meet or other authorized aquatic activity.

Such contracts will include standard language as to time of use, compensation, maintenance and the like.

Such contracts will also contain language regarding the tort liability of both parties during the use of the facility. The owner will usually include indemnification and hold-harmless clauses for itself on liability for bodily injury and property damage resulting from the negligence of the USA Swimming Member, its officers, agents and employees.

It will be impossible to avoid such releases or waivers couched in general language. The owners, or their attorneys, may insist on this.

However, it is extremely important that the USA Swimming Member Club, LSC, etc., does not sign a contract containing language which indemnifies or exculpates (clears from alleged fault or guilt) the owner from liability for damages resulting from the **sole negligence of the owner, or its agents and employees**. Such language may or may not be valid in your particular state. If it is, it is usually subject to strict interpretation.

If you are in doubt on this, consult an attorney in your own state and at the same time refer him/her to the General Counsel for USA Swimming.

If you see the following language, or anything similar to it, consult legal counsel at once before signing the agreement:

Club (LSC) agrees to indemnify Owner against all liability loss, or other damage claims or obligations because of or arising out of personal injury or property damage, related to Club's (LSC) use and occupancy of the premises, including that caused by the negligence of the Owner or its agents or employees.
