SAFESPORT CODE FOR THE U.S. OLYMPIC AND PARALYMPIC MOVEMENT

Effective April 15, 2020

I. AUTHORITY

The U.S. Center for SafeSport (Center) is recognized by the United States Congress, the United States Olympic & Paralympic Committee (USOPC), and the National Governing Bodies (NGBs) as the official safe sport organization for all Olympic, Paralympic, Pan American and Para Pan American sports in the United States. The Center maintains two offices:

- A. An office for education and outreach (Education & Outreach Office) that develops training, oversight practices, policies, and procedures to prevent the abuse, (including emotional, physical, and sexual abuse) of participants.
- B. An office for response and resolution (Response & Resolution Office) that establishes mechanisms to report, investigate, and resolve allegations of misconduct in violation of the Code.

II. ADMINISTRATION AND COMPLIANCE

The Code is administered by the Center. The USOPC, the NGBs, the Local Affiliated Organizations (LAOs), and the High Performance Management Organizations (HPMOs) must comply, in all respects, with these policies and procedures and shall be deemed to have incorporated the provisions into their relevant policies as if they had set them out in full therein.

Participants are responsible for knowing the information outlined herein and, by virtue of being a Participant, have expressly agreed to this Code's policies and procedures, including those governing arbitration. The Center reserves the right to make changes to the Code as necessary. Once posted online, notice has been provided and changes are effective immediately unless otherwise noted.

III. APPLICATION

The Code applies to Participants, as defined below. To effectuate its mandate to protect those involved in amateur athletics from sexual or other forms of abuse, the Center assesses a Participant's fitness and eligibility to be involved with amateur athletics. Participation in the private associations making up the Olympic & Paralympic Movement is a privilege, not a right.¹

¹ See *San Francisco Arts & Athletics, Inc. v. U.S. Olympic Comm.*, 483 U.S. 522, 547, 107 S. Ct. 2971, 2986–87, 97 L. Ed. 2d 427 (1987) (“the USOC is not a governmental actor”); *Behagen v. Amateur Basketball Ass'n of U.S.*, 884 F.2d 524,

531 (10th Cir. 1989) (“We hold that the [NGB] is not a governmental actor to whom the due process prohibitions of the Constitution apply.”).

IV. JURISDICTION OF THE CENTER

A. Exclusive Jurisdiction

The Center has the exclusive jurisdiction to investigate and resolve allegations that a Participant engaged in one or more of the following:

1. Sexual Misconduct, including without limitation child sexual abuse and any misconduct that is reasonably related to an underlying allegation of Sexual Misconduct;
2. Criminal Charges or Dispositions involving Child Abuse or Sexual Misconduct;
3. Misconduct Related to Reporting, where the underlying allegation involves Child Abuse or Sexual Misconduct;
4. Aiding and Abetting, when it relates to the Center's process;
5. Misconduct Related to the Center's Process;
6. Other Inappropriate Conduct, as defined herein.

B. Discretionary Jurisdiction

The Center has discretionary jurisdiction to investigate and resolve allegations that a Participant engaged in one or more of the following:

1. Non-sexual Child Abuse;
2. Emotional and physical misconduct, including stalking, bullying behaviors, hazing, and harassment;

3. Criminal Charges or Dispositions not involving Child Abuse or Sexual Misconduct;
4. Minor Athlete Abuse Prevention Policy or other similar Proactive Policy violations;

If the Center accepts discretionary jurisdiction, it will use the resolution procedures set forth herein.

C. Jurisdictional Reassessment

The Center may reassess its jurisdictional decision at any time.

V. JURISDICTION OF THE USOPC, NGBs, LAOs, and HPMOs

Prior to the Center expressly exercising jurisdiction over particular allegations regarding a particular Participant, the relevant organization (the USOPC, an NGB, an LAO, and/or an HPMO) has the authority to implement necessary and/or appropriate measures, up to and including a suspension, to address any allegations of misconduct. When the relevant organization has reason to believe that the allegations presented fall within the Center's exclusive jurisdiction, the organization—while able to impose measures—may not investigate or resolve those allegations. When the allegations presented fall within the Center's discretionary jurisdiction, the organization may investigate and resolve the matter, unless and until such time as the Center expressly exercises jurisdiction over the particular allegations.

If, and when, the Center expressly exercises jurisdiction over particular allegations regarding a particular Participant, the

relevant organization(s) cannot issue—in response to those allegations—a suspension or other restriction that may deny or threaten to deny a Respondent’s opportunity to participate in sport. The relevant organization may implement any necessary safety plan(s) or temporary measure(s).

VI. APPLICABLE PROCEDURES

The applicable procedures for reporting, investigating, and resolving alleged misconduct depends on the nature of the misconduct, as set forth in the Code. The procedures set forth herein will be applied to any matter over which the Center accepts jurisdiction. The procedures set forth by the adjudicating body (USOPC, NGB, LAO, or HPMO) will be applied to any matter over which the Center does not accept jurisdiction.

VII. ENFORCEMENT AUTHORITY

The USOPC, NGB, LAO, and/or HPMO are responsible for enforcing sanctions and Temporary Measures imposed by the Center, as set forth below.

VIII. DEFINITIONS

A. Athlete

An athlete who meets the eligibility standards established by the NGB or Paralympic sports organization for the sport in which the athlete competes.

B. Child Abuse

The term “child abuse” has the meaning set forth in Section 203 of the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341) or any applicable state law.

C. Claimant

The person who is alleged to have experienced conduct that constitutes a Code violation.

D. Consent

Consent is (a) informed (knowing), (b) voluntary (freely given), (c) active (not passive). Consent must be demonstrated by clear words or actions, indicating that a person who is legally and functionally competent has indicated permission to engage in mutually agreed-upon sexual activity.

Consent to any one form of sexual activity does not automatically imply Consent for any other forms of sexual activity. Previous relationships or prior Consent does not imply Consent to future sexual activity. Once given, Consent can be withdrawn through clear communication.

Consent cannot be obtained: (a) by force, (b) by taking advantage of the Incapacitation of another, where the person initiating sexual activity knew or reasonably should have known that the other was Incapacitated, (c) from someone who lacks legal capacity, (d) where a Power Imbalance exists.

1. Force

Force includes (a) the use of physical violence, (b) threats, (c) intimidation, and (d) coercion.

- a. Physical violence means that a person is exerting control over another person using physical force. Examples of physical violence include hitting, punching, slapping, kicking, restraining, strangling, and brandishing or using any weapon.
- b. Threats are words or actions that would compel a reasonable person to engage in unwanted sexual activity. Examples include threats to harm a person physically, to reveal private information to harm a person's reputation, or to deny a person's ability to participate in sport.
- c. Intimidation is an implied threat that menaces or causes reasonable fear in another person. A person's size, alone, does not constitute intimidation; however, a person's size may be used in a way that constitutes intimidation (e.g., blocking access to an exit).
- d. Coercion is the use of an unreasonable amount of pressure to gain intimate and/or sexual access. Coercion is more than an effort to persuade, entice, or attract another person to engage in sexual activity. When a person makes clear their decision not to participate

in a form of Sexual Contact or Sexual Intercourse, their decision to stop, or their decision not to go beyond a certain sexual interaction, continued pressure can be coercive.

Whether conduct is coercive depends on: (i) the frequency of the application of the pressure, (ii) the intensity of the pressure, (iii) the degree of isolation of the person being pressured, and (iv) the duration of the pressure.

2. Legal Capacity

Minors cannot Consent to conduct of a sexual nature. While the legal age of Consent varies under state and federal law, the legal age of capacity under the Code is 18.

A close-in-age exception will be applied to any policy violation between an adult and a Minor, or between two Minors, where there is no Power Imbalance and where the age difference is no more than three years.

When the assessment of whether a Participant's conduct violates the Code depends upon another individual being below a certain specified age, ignorance of their actual age is no defense. Neither shall misrepresentation of age by such person, nor a Participant's bona fide belief that

such person is over the specified age, be a defense.

3. Incapacitation

Incapacitation means that a person lacks the ability to make informed, rational judgments about whether to engage in sexual activity. A person who is incapacitated is unable, temporarily or permanently, to give Consent because of mental or physical helplessness, sleep, unconsciousness, or lack of awareness that sexual activity is taking place. A person may be incapacitated because of consuming alcohol or other drugs, or due to a temporary or permanent physical or mental health condition.

Incapacitation is a state beyond drunkenness or intoxication. A person is not necessarily incapacitated merely because of drinking or using drugs. The impact of alcohol and other drugs varies from person to person and is evaluated under the specific circumstances of a matter.

A Respondent's being impaired by alcohol or other drugs is not a defense to any violation of the Code.

The Consent construct can also be applied to other forms of non-sexual conduct, such as hazing or other forms of Physical and/or Emotional Misconduct.

E. Days

Unless expressly provided otherwise, the term "days" shall mean business days, which excludes weekends and national holidays.

F. Event

The term "Event" shall have the meaning set forth in the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341). As of the effective date of these policies and procedures, "event" includes "travel, lodging, practice, competition, and health or medical treatment."

G. Local Affiliated Organization (LAO)

A regional, state or local club or organization that is directly affiliated with an NGB or that is affiliated with an NGB by its direct affiliation with a regional or state affiliate of said NGB. LAO does not include a regional, state, or local club or organization that is only a member of a National Member Organization of an NGB.

H. Minor or Child

An individual who is, or is believed by the Respondent to be, under the age of 18.

I. National Governing Body (NGB)

A U.S. Olympic National Governing Body, Pan American Sport Organization, or Paralympic Sport Organization recognized by the United States Olympic

Committee pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501, et seq.. This definition shall also apply to the USOPC, or other sports entity approved by the USOPC, when they have assumed responsibility for the management and/or governance of a sport included on the program of the Olympic, Paralympic, Pan-American, or Parapan American Games. This would include any organization, member of that organization, or Participant that has subjected itself to the jurisdiction of the Center.

J. Participant

1. Any individual who is seeking to be, currently is,² or was at the time of an alleged Code violation:
 - a. A member or license holder of an NGB, LAO, HPMO, or the USOPC;
 - b. An employee or board member of an NGB, LAO, HPMO, or the USOPC;
 - c. Within the governance or disciplinary jurisdiction of an NGB, LAO, HPMO, or the USOPC;
 - d. Authorized, approved, or appointed by an NGB, LAO, HPMO, or the USOPC to have regular contact with or authority over Minor Athletes.

² For the purpose of evaluating whether an individual is considered a Participant per this provision, the phrase “currently is” includes the date on

K. Power Imbalance

A Power Imbalance may exist where, based on the totality of the circumstances, one person has supervisory, evaluative, or other authority over another. Whether there is a Power Imbalance depends on several factors, including but not limited to: the nature and extent of the supervisory, evaluative or other authority over the person; the actual relationship between the parties; the parties’ respective roles; the nature and duration of the relationship; the age of the parties involved; whether there is an aggressor; whether there is a significant disparity in age, size, strength, or mental capacity.

Once a coach-Athlete relationship is established, a Power Imbalance is presumed to exist throughout the coach-Athlete relationship (regardless of age) and is presumed to continue for Minor Athletes after the coach-Athlete relationship terminates until the Athlete reaches 20 years of age.

A Power Imbalance may exist, but is not presumed, where an Intimate Relationship existed before the sport relationship (e.g., a relationship between two spouses or life partners that preceded the sport relationship).

L. Respondent

A Participant who is alleged to have violated the Code.

which the alleged misconduct was reported to the Center, through resolution, and including the period(s) of any sanctions imposed.

M. Third-Party Reporter

Reports brought by individuals other than the Claimant are referred to as “third-party reports” and those bringing them are “third-party reporters.”

IX. PROHIBITED CONDUCT

This section of the Code sets forth expectations for Participants related to emotional, physical, and sexual misconduct in sport, including bullying, hazing, and harassment.

The privilege of participation in the Olympic & Paralympic Movement may be limited, conditioned, suspended, terminated, or denied if a Participant’s conduct is or was inconsistent with this Code and/or the best interest of sport and those who participate in it.

It is a violation of the Code for a Participant to engage in or tolerate: (1) Prohibited Conduct, as outlined in the Code; (2) any conduct that would violate any current or previous standards promulgated by the U.S. Center for SafeSport, an NGB, an LAO, an HPMO, or the USOPC that are analogous to Prohibited Conduct and that existed at the time of the alleged conduct; or (3) any conduct that would violate community standards analogous to Prohibited Conduct that existed at the time of the alleged conduct, including then applicable criminal and/or civil laws³.

³ The focus of this provision is on community standards at the time of the alleged conduct as reflected in then applicable criminal and civil standards. The question is: Would a reasonable person at the time the alleged conduct occurred have had notice that the alleged conduct would have violated community standards and norms as those standards were

Prohibited Conduct include:

- A. Criminal Charges or Dispositions
- B. Child Abuse
- C. Sexual Misconduct
- D. Emotional and Physical Misconduct, including Stalking, Bullying, Hazing, and Harassment
- E. Aiding and Abetting
- F. Misconduct Related to Reporting
- G. Misconduct Related to the Center’s Process
- H. Other Inappropriate Conduct
- I. Violation of Minor Athlete Abuse Prevention Policies / Proactive Policies

A. Criminal Charge or Disposition

It is a violation of the Code for a Participant to have a Criminal Charge or Disposition.

Criminal Conduct is relevant to an individual’s fitness to participate in sport. The age of a Criminal Charge or Disposition is not relevant to whether a violation of the Code occurred, but may be considered for sanctioning purposes. The Center reviews Criminal Charges or Dispositions involving sexual misconduct or child abuse *de novo*; any prior consideration or finding by an NGB, LAO, HPMO, or the USOPC regarding a Criminal Disposition involving sexual misconduct or child abuse is not relevant to the Center’s determination.

generally expressed in then applicable criminal and civil statutes. The Center need not establish every element of a crime, nor must it apply any evidentiary standards other than those provided in this Code

1. Definitions

a. Criminal Disposition

It is a violation of the Code for a Participant to be or have been subject to any disposition or resolution of a criminal proceeding, other than an adjudication of not guilty, including, but not limited to: an adjudication of guilt or admission to a criminal violation, a plea to the charge or a lesser included offense, a plea of no contest, any plea analogous to an Alford or Kennedy plea, the disposition of the proceeding through a diversionary program, deferred adjudication, deferred prosecution, disposition of supervision, conditional dismissal, juvenile delinquency adjudication, or similar arrangement.

b. Criminal Charge, including Warrant for Arrest

It is a violation of the Code for a Participant to have any pending criminal charge(s) or warrant(s) for arrest.

When assessing whether conduct constitutes a Criminal Charge or Disposition, the Center may assess and rely upon the original charges, amended charges, or those to which a plea was entered.

2. Sex Offender Registry

A Participant who is currently on any state, federal, territorial, or tribal sex offender registry is ineligible to participate.

3. Hearing Related to Criminal Charge or Disposition

A Participant who wishes to challenge the Center's decision related to a Criminal Charge or Disposition may request a hearing concerning the sanction only pursuant to Rule-14.

If the Center renders a Decision regarding a Participant's Criminal Charge or Disposition, and that Charge or Disposition is subsequently modified by a criminal court, the Participant may request that the matter be reopened by the Center, pursuant to Section XI(S). In instances where a pending criminal charge(s) resolves, in that the charge(s) is eventually dismissed, results in an acquittal, or results in a Criminal Disposition as defined above, a Respondent's request to reopen will always be granted and a new Decision issued.

B. Child Abuse

It is a violation of the Code for a Participant to engage in Child Abuse.

C. Sexual Misconduct

It is a violation of the Code for a Participant to engage in Sexual Misconduct. Sexual Misconduct offenses include, but are not limited to:

1. Sexual or Gender-related Harassment
2. Non-consensual Sexual Contact (or attempts to commit the same)

3. Non-consensual Sexual Intercourse (or attempts to commit the same)
4. Sexual Exploitation
5. Bullying or hazing, or other inappropriate conduct of a sexual nature.

1. Sexual or Gender-related Harassment

Sexual harassment is any unwelcome sexual advance, request for sexual favors, or other unwanted conduct of a sexual nature, whether verbal, non-verbal, graphic, physical, or otherwise, when the conditions outlined in (a) and/or (b), below, are present.

Sexual harassment includes harassment related to gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, when the conditions outlined in (a) and/or (b), below, are present.

- a. Submission to such conduct is made, either explicitly or implicitly, a term or condition of any person's employment, standing in sport, or participation in Events, sports programs and/or activities; or when submission to or rejection of such conduct is used as the basis for sporting decisions affecting the individual (often referred to as "quid pro quo" harassment); or
- b. Such conduct creates a hostile environment. A "hostile environment" exists when the conduct is

sufficiently severe, persistent, and/or pervasive such that it interferes with, limits, or deprives any individual of the opportunity to participate in any program or activity. Conduct must be deemed severe, persistent, or pervasive from both a subjective and an objective perspective.

Whether a hostile environment exists depends on the totality of known circumstances, including, but not limited to:

- i. The frequency, nature, and severity of the conduct;
- ii. Whether the conduct was physically threatening;
- iii. The effect of the conduct on the Claimant's mental or emotional state;
- iv. Whether the conduct was directed at more than one person;
- v. Whether the conduct arose in the context of other discriminatory conduct;
- vi. Whether the conduct unreasonably interfered with any person's educational or work performance and/or sport programs or activities; and
- vii. Whether the conduct implicates concerns related to protected speech.

A hostile environment can be created by persistent or pervasive conduct or by a single or isolated incident that is sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment,

particularly if the conduct is physical. A single incident of sexual contact without Consent, for example, may be sufficiently severe to constitute a hostile environment. In contrast, the perceived offensiveness of a single verbal or written expression, standing alone, is typically not sufficient to constitute a hostile environment.

2. Nonconsensual Sexual Contact

It is a violation of the Code for a Participant to engage in Sexual Contact without Consent.

Sexual Contact is any intentional touching of a sexual nature, however slight, with any object or body part (as described below), by a person upon another person.

Sexual Contact includes but is not limited to: (a) kissing, (b) intentional touching of the breasts, buttocks, groin or genitals, whether clothed or unclothed, or intentionally touching of another with any of these body parts; and (c) making another touch themselves, the Participant, or someone else with or on any of these body parts.

3. Nonconsensual Sexual Intercourse

It is a violation of the Code for a Participant to engage in Sexual Intercourse without Consent.

Sexual intercourse is any penetration, however slight, with any object or body part (as described below), by a person upon another person.

Sexual Intercourse includes (a) vaginal penetration by a penis, object, tongue, or finger; (b) anal penetration by a penis, object, tongue, or finger; and (c) any contact, no matter how slight, between the mouth of one person and the genitalia of another person.

4. Sexual Exploitation

It is a violation of the Code for a Participant to engage in Sexual Exploitation. Sexual Exploitation occurs when a Participant purposely or knowingly:

- a. Allows third parties to observe private sexual activity from a hidden location (e.g., closet) or through electronic means (e.g., Skype or live-streaming of images) without Consent of all parties involved in the sexual activity.
- b. Records or photographs private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without Consent of all parties in the recording or photo.
- c. Engages in voyeurism (e.g., watching private sexual activity or viewing another person's intimate parts when that person would have a reasonable expectation of privacy), without Consent of all parties being viewed.
- d. Disseminates, shows or posts images of private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without prior Consent of the person depicted in the images.

- e. Intentionally exposes another person to a sexually transmitted infection or virus without that person's knowledge.
- f. Engages in prostituting or trafficking another person.

5. Bullying, Hazing, or Other Inappropriate Conduct of a Sexual Nature.

It is a violation of the Code for a Participant to engage in bullying, hazing, and other inappropriate conduct of a sexual nature, as further defined in the corresponding sections below.

D. Emotional and Physical Misconduct

It is a Code violation for a Participant to engage in emotional and/or physical misconduct, when that misconduct occurs within a context that is reasonably related to sport, which includes, without limitation:

- 1. Emotional Misconduct
- 2. Physical Misconduct
- 3. Bullying Behaviors
- 4. Hazing
- 5. Harassment.

1. Emotional Misconduct

Emotional Misconduct includes (a) Verbal Acts, (b) Physical Acts, (c) Acts that Deny Attention or Support, (d) Criminal Conduct, and/or (e) Stalking. Emotional Misconduct is determined by the objective behaviors,

not whether harm is intended or results from the behavior.

- a. Verbal Acts
Repeatedly and excessively verbally assaulting or attacking someone personally in a manner that serves no productive training or motivational purpose.
- b. Physical Acts
Repeated and/or severe physically aggressive behaviors, including but not limited to, throwing sport equipment, water bottles or chairs at or in the presence of others, punching walls, windows or other objects.
- c. Acts that Deny Attention or Support
Ignoring or isolating a person for extended periods of time, including routinely or arbitrarily excluding a Participant from practice.
- d. Criminal Conduct
Emotional Misconduct includes any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).
- e. Stalking
Stalking occurs when a person purposefully engages in a course of conduct directed at a specific person, and knows or should know, that the course of conduct would cause a reasonable person to (i) fear for their safety, (ii) the safety of a third person, or (iii) to experience substantial emotional distress.

“Course of conduct” means at least two or more acts, in which a person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about another person, or interferes with another person’s property. “Substantial emotional distress” means significant mental suffering or anguish.

Stalking also includes “cyber-stalking,” wherein a person stalks another using electronic media, such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact.

f. Exclusion

Emotional Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improved Athlete performance. Emotional Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant’s participation.

2. Physical Misconduct

Physical Misconduct is any intentional contact or non-contact behavior that causes, or reasonably threatens to cause, physical harm to another person.

Examples of physical misconduct may include, without limitation:

- a. Contact violations
Punching, beating, biting, striking, strangling or slapping another; intentionally hitting another with objects, such as sporting equipment; encouraging or knowingly permitting an Athlete to return to play prematurely following a serious injury (e.g., a concussion) and without the clearance of a medical professional.
- b. Non-contact violations
Isolating a person in a confined space, such as locking an Athlete in a small space; forcing an Athlete to assume a painful stance or position for no athletic purpose (e.g., requiring an athlete to kneel on a harmful surface); withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; providing alcohol to a person under the legal drinking age; providing illegal drugs or non-prescribed medications to another.
- c. Criminal Conduct
Physical Misconduct includes any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).
- d. Exclusion
Physical Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance. For example, hitting, punching and kicking are well-regulated forms of contact in combat sports, but have

no place in swimming. Physical Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant's participation.

3. Bullying Behavior

Repeated and/or severe behavior(s) that are (a) aggressive (b) directed at a Minor, and (c) intended or likely to hurt, control, or diminish the Minor emotionally, physically or sexually. Bullying-like behaviors directed at adults are addressed under other forms of misconduct, such as Hazing and/or Harassment. Examples of bullying behavior may include, without limitation, repeated and/or severe:

- a. Physical
Hitting, pushing, punching, beating, biting, striking, kicking, strangling, slapping, spitting at, or throwing objects (such as sporting equipment) at another person.
- b. Verbal
Ridiculing, taunting, name-calling or intimidating or threatening to cause someone harm.
- c. Social, including cyberbullying
Use of rumors or false statements about someone to diminish that person's reputation; using electronic communications, social media or other technology to harass, frighten, intimidate or humiliate someone; socially excluding someone and asking others to do the same.

- d. Sexual
Ridiculing or taunting based on gender or sexual orientation (real or perceived), gender traits or behavior, or teasing someone about their looks or behavior as it relates to sexual attractiveness.
- e. Criminal Conduct
Bullying Behavior includes any conduct described as bullying under federal or state law.
- f. Exclusion
Conduct may not rise to the level of Bullying Behavior if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Bullying does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

4. Hazing

Any conduct that subjects another person, whether physically, mentally, emotionally or psychologically, to anything that may endanger, abuse, humiliate, degrade or intimidate the person as a condition of joining or being socially accepted by a group, team, or organization. Purported Consent by the person subjected to Hazing is not a defense, regardless of the person's perceived willingness to cooperate or participate.

Examples of Hazing include:

- a. Contact acts
Tying, taping or otherwise physically restraining another person; beating, paddling or other forms of physical assault.
- b. Non-contact acts
Requiring or forcing the consumption of alcohol, illegal drugs or other substances, including participation in binge drinking and drinking games; personal servitude; requiring social actions (e.g., wearing inappropriate or provocative clothing) or public displays (e.g., public nudity) that are illegal or meant to draw ridicule; excessive training requirements demanded of only particular individuals on a team that serve no reasonable or productive training purpose; sleep deprivation; otherwise unnecessary schedule disruptions; withholding of water and/or food; restrictions on personal hygiene.
- c. Sexualized acts
Actual or simulated conduct of a sexual nature.
- d. Criminal acts
Any act or conduct that constitutes hazing under applicable federal or state law.
- e. Exclusion
Conduct may not rise to the level of Hazing if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or

doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Hazing does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

5. Harassment

Repeated and/or severe conduct that (a) causes fear, humiliation or annoyance, (b) offends or degrades, (c) creates a hostile environment (as defined above), or (d) reflects discriminatory bias in an attempt to establish dominance, superiority or power over an individual or group based on age, race, ethnicity, culture, religion, national origin, or mental or physical disability; or (e) any act or conduct described as harassment under federal or state law. Whether conduct is harassing depends on the totality of the circumstances, including the nature, frequency, intensity, location, context, and duration of the behavior.

Conduct may not rise to the level of Harassment if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Harassment does not include professionally accepted coaching methods of skill enhancement, physical

conditioning, team building, appropriate discipline, or improved Athlete performance.

E. Aiding and Abetting

Aiding and Abetting occurs when one aids, assists, facilitates, promotes, or encourages the commission of Prohibited Conduct by a Participant, including but not limited to, knowingly:

1. Allowing any person who has been identified as suspended or otherwise ineligible by the Center to be in any way associated with or employed by an organization affiliated with or holding itself out as affiliated with an NGB, LAO, HPMO, the USOPC, or the Olympic & Paralympic Movement;
2. Allowing any person who has been identified as suspended or otherwise ineligible by the Center to coach or instruct Participants;
3. Allowing any person who has been identified as ineligible by the Center to have ownership interest in a facility, an organization, or its related entities, if that facility/organization/related entity is affiliated with or holds itself out as affiliated with an NGB, LAO, HPMO, the USOPC, or the Olympic & Paralympic Movement;
4. Providing any coaching-related advice or service to an Athlete who has been identified as suspended or otherwise ineligible by the Center;

5. Allowing any person to violate the terms of their suspension or any other sanctions imposed by the Center.

In addition, a Participant also violates the Code if someone acts on behalf of the Participant to engage in Aiding or Abetting, or if the guardian, family member, or Advisor of a Participant, including Minor Participants, engages in Aiding or Abetting.

F. Misconduct Related to Reporting

1. Failure to Report

An adult Participant who fails to report actual or suspected Sexual Misconduct or Child Abuse to the Center and, when appropriate, to law enforcement may be subject to disciplinary action under the Center's resolution procedures and may also be subject to federal or state penalties.

- a. The obligation to report is broader than reporting a pending charge or criminal arrest of a Participant; it requires reporting to the Center any conduct which, if true, would constitute Sexual Misconduct and/or Child Abuse. The obligation to report to the Center is an ongoing one and is not satisfied simply by making an initial report. The obligation includes reporting, on a timely basis, all information of which an Adult Participant becomes aware, including the names of witnesses, third-party reporters, and Claimants.

- b. The obligation to report includes personally identifying information of a potential Claimant to the extent known at the time of the report, as well as a duty to reasonably supplement the report as to identifying information learned at a later time.
- c. Participants should not investigate or attempt to evaluate the credibility or validity of allegations involving Sexual Misconduct and/or Child Abuse. Participants making a good faith report are not required to prove the reports are true before reporting.

2. Intentionally Filing a False Allegation

In addition to constituting misconduct, filing a knowingly false allegation that a Participant engaged in Prohibited Conduct may violate state criminal law and civil defamation laws. Any person making a knowingly false allegation in a matter over which the Center exercises jurisdiction shall be subject to disciplinary action by the Center.

- a. An allegation is false if the events reported did not occur, and the person making the report knows the events did not occur.
- b. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true

or false. Absent demonstrable misconduct, an unsubstantiated allegation alone is not grounds for a Code violation.

G. Misconduct Related to the Center's Process

The behaviors identified below constitute Prohibited Conduct and may give rise to a sanction. In addition, a Participant also violates the Code if someone acts on behalf of the Participant and engages in any of the following Prohibited Conduct, including a Participant's Advisor, or the guardian, or family member of a Minor Participant. In such a case, the Participant and/or, if the party acting on behalf of the Participant is also a Participant, that person, may be sanctioned.

1. Abuse of Process

A Participant, or someone acting on behalf of a Participant, violates this Code by directly or indirectly abusing or interfering with the Center's process by: (a) falsifying, distorting, or misrepresenting information, the resolution process, or an outcome; (b) destroying or concealing information; (c) attempting to discourage an individual's proper participation in or use of, the Center's processes; (d) harassing or intimidating (verbally or physically) any person involved in the Center's processes before, during, and/or following proceedings (including up to, through, and after any review by an arbitrator); (e) publicly disclosing a Claimant's identifying information⁴; (f) failing to

⁴ The Protecting Young Victims from Abuse and Safe Sport Authorization Act of 2017 requires that the Center "protect the privacy and safety of the [Claimant]."

However, a Claimant may waive this provision by choosing to publicly disclose his/her own identifying information at any time.

comply with a temporary measure or other sanction; (g) distributing or otherwise publicizing materials created or produced during an investigation or Arbitration as a part of these policies or procedures, except as required by law or as expressly permitted by the Center; or (h) influencing or attempting to influence another person to commit abuse of process.

2. Retaliation

Retaliation against anyone for engaging in the Center’s processes is prohibited.

A Participant, someone acting on behalf of a Participant, an NGB, LAO, HPMO, the USOPC or any organization subject to the Code shall not take an adverse action against any person for making a good faith report of a possible Code violation to the Center or other relevant organization as identified herein or for participating in any process under this Code.

Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in the Center’s processes when the action is reasonably related to the report or engagement with the Center. Retaliation may be present even where there is a finding that no violation occurred.

Retaliation does not include good-faith actions lawfully pursued in response to a report of a Code violation.

H. Other Inappropriate Conduct

1. Intimate Relationship

An Adult Participant violates this Code by engaging in an intimate or romantic relationship where a Power Imbalance exists.

An Intimate or Romantic relationship is a close personal relationship—other than a familial relationship—that exists independently and outside of the sport relationship. Whether a relationship is intimate is based on the totality of the circumstances, including: regular contact and/or interactions outside of or unrelated to the sport relationship (electronically or in person), the parties’ emotional connectedness, the exchange of gifts, ongoing physical and/or intimate contact and/or sexual activity, identity as a couple, the sharing of sensitive personal information, and/or intimate knowledge about each other’s lives outside the sport relationship.

2. Exposing a Minor to Sexual Content / Imagery

An Adult Participant violates this Code by intentionally exposing a Minor to content or imagery of a sexual nature, including but not limited to, pornography, sexual comment(s), sexual gestures, and/or sexual situation(s).

This provision does not exclude the possibility that similar behavior between Adults could constitute Sexual Harassment, as defined in the Code.

3. Intentional Exposure of Private Areas

An Adult Participant violates this Code by intentionally exposing breasts, buttocks, groin, or genitals, or induces another to do so, to an Adult where there is a Power Imbalance, or to a Minor.

4. Inappropriate Physical Contact

An Adult Participant violates this Code by engaging in inappropriate physical contact with a Participant where there is a Power Imbalance. Such inappropriate contact includes, but is not limited to, intentionally:

- a. touching, slapping, or otherwise contacting the buttocks or genitals of a Participant;
- b. excessively touching or hugging a Participant;
- c. kissing a Participant.

5. Willful Tolerance

A Participant violates this Code by willfully tolerating any form of Prohibited Misconduct, when there is a Power Imbalance between that Participant and the individual(s) who are being subjected to the Prohibited Conduct.

⁵ “Grooming” describes the process whereby a person engages in a series or pattern of behaviors with a goal of engaging in sexual misconduct. Grooming is initiated when a person seeks out a vulnerable minor. Once selected, offenders will then earn the minor’s trust, and potentially the trust of the minor’s family. After the offender

I. Minor Athlete Abuse Prevention Policies / Proactive Policies

It is a violation of the Code for a Participant to violate any provision of the Minor Athlete Abuse Prevention Policies or other proactive policies adopted by the NGBs, LAOs, HPMOs, and/or the USOPC. Proactive policies set standards for professional boundaries, minimize the appearance of impropriety, and have the effect of preventing boundary violations and prohibiting grooming tactics.⁵ Tailored to a specific sport, context, legal structure or constituency, such policies may address overnight travel rules (e.g., preventing unrelated Adult Participants and Minors from sharing rooms under specified circumstances), massages and rubdowns, social media and electronic communications, photography, locker rooms, one-on-one meetings and gifting.

X. REPORTING

Note: Nothing in this policy shall be construed to require a victim of child abuse or other misconduct to self-report.

No one should investigate suspicions or allegations of child abuse or other Prohibited Conduct, or attempt to evaluate the credibility or validity of allegations as a condition of reporting to the Center or to appropriate authorities.

has engaged the minor in sexually inappropriate behavior, the offender seeks to maintain control over him/her. Grooming occurs through direct, in-person and/or online contact.

A. Reporting Requirements related to:

1. Child Abuse

An Adult Participant who learns of information and reasonably suspects that a child has suffered an incident of child abuse, including sexual abuse, shall immediately make a report of the suspected abuse to *both* Law Enforcement and the U.S. Center for SafeSport:

a. Law Enforcement

- i. The agency designated by the Attorney General, consistent with federal requirements set forth in section 226 of the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341).
- ii. Applicable State Law Enforcement agency; learn more about this requirement by visiting <https://www.childwelfare.gov/topics/responding/reporting>.

b. U.S. Center for SafeSport

- i. Through the Center for SafeSport’s online reporting form, www.safesport.org.
- ii. By Phone at 720-531-0340, during regular business hours (Monday-Friday, 9:00 AM MT – 5:00 PM MT.)

Reporting such conduct to the Center does not satisfy an Adult Participant’s obligation to report to law enforcement or other appropriate authorities consistent with section 226 of the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341).

2. Sexual Misconduct

The Center encourages *anyone* who experiences or becomes aware of an incident of Sexual Misconduct to immediately report the incident to the Center (and/or to law enforcement if the matter involves possible criminal conduct).

If an *Adult Participant* reasonably suspects that an incident(s) of Sexual Misconduct has occurred, they ***must*** immediately report the incident(s) directly to the Center.

3. Emotional and Physical Misconduct

Adult Participants are required to report to the organization with which the Participant is affiliated emotional and physical misconduct (including bullying, stalking, hazing, and harassment) prohibited under the Code, and violations of proactive policies. To report to the USOPC, NGBs, LAOs, or HPMOs, visit the relevant organization’s website.

4. Criminal Dispositions

Adult Participants are required to report to the Center Criminal Charge(s) and Disposition(s) involving sexual misconduct or misconduct involving Minors.

Adult Participants are required to report Criminal Charge(s) and Disposition(s) involving any other form of misconduct to the relevant organization (the USOPC, NGB, LAO, or HPMO), consistent with its procedures.

5. Misconduct Related to the Center's Process

Adult Participants are required to report to the Center any suspected incident(s) of:

- a. Aiding and Abetting,
- b. Abuse of Process,
- c. Retaliation

B. Anonymous Reports

Reports may be made anonymously to the Center. Anonymity means the Center will not know the personally identifying information of the reporter. It does not mean that the underlying information will be protected.

However, an anonymous report may limit the Center's ability to investigate and respond to a report, and if an Adult Participant reports anonymously, it may not be

possible for the Center to verify that mandatory reporting obligations have been satisfied.

Consequently, the Center strongly encourages Adult Participants to provide their name and contact information when reporting.

C. Confidentiality for Third-Party Reporters

Unless necessary to the Center's investigation or resolution of a matter, the Center does not disclose a Third-Party Reporter's personally identifying information.

D. Reporting Options for Claimants

A Claimant may choose to make a report to the Center to pursue resolution under these procedures and may also choose to make a report to law enforcement and/or pursue available civil or administrative remedies. A Claimant may pursue one, some, or all of these options at the same time.

A Claimant who wishes to pursue criminal action in addition to, or instead of, making a report under these procedures should contact law enforcement and/or legal counsel directly.

E. Claimant's Request for Anonymity

A Claimant may request that personally-identifying information not be shared with a Respondent. The Center will seek to honor the Claimant's request(s) if it is

possible to do so while also protecting the health and safety of the Claimant and the sporting community.

If the Claimant's request for anonymity can be honored

If the Center determines a Claimant's request that personally-identifying information not be shared with Respondent can be honored, the Center may take other appropriate steps designed to eliminate the reported conduct, prevent its recurrence, and remedy its effect on the Claimant and sporting community. Those steps may include offering appropriate remedial measures to the Claimant, providing targeted training or prevention programs, and/or providing or imposing other remedies tailored to the circumstances as a form of alternative resolution.

If the Claimant's request for anonymity cannot be honored

If the Center determines it cannot honor a Claimant's request(s) that personally-identifying information not be shared with the Respondent, that no investigation be pursued, and/or that no disciplinary action be taken, the Center may direct appropriate actions, which may include, without limitation: (i) imposing a no contact directive or other temporary measure; (ii) initiating an investigation; and (iii) arranging, imposing, or extending any other appropriate remedial and/or protective measures.

In such cases, the Center will make reasonable efforts to protect the privacy of the Claimant. However, actions

that may be required as part of any investigation will involve speaking with the Respondent and others who may have relevant information, in which case the Claimant's identity may have to be disclosed. In such cases, the Center will notify the Claimant that the Center intends to proceed with an investigation, but the Claimant is not required to participate in the investigation or in any other actions taken by the Center.

F. Privacy

The Center is committed to protecting the privacy of all individuals involved in the investigation and resolution of reported allegations. With respect to any report under these procedures, the Center, in its discretion, will make reasonable efforts to protect the privacy of individuals involved in the Center's process, while balancing the need to gather information to assess a report and to take steps to eliminate Prohibited Conduct.

Information will be shared as necessary with Center staff and counsel, witnesses, and the parties. It may also be necessary for the Center to notify the NGB, USOPC, or HPMO (a) of an allegation involving a Participant from that organization; (b) if the Center implements a temporary measure; (c) of procedural status updates; and (d) of any sanctions.

Parental/Guardian Notification

The Center reserves the right to notify guardians of Claimants regarding any health or safety risk.

XI. RESOLUTION PROCEDURES

A. Initiating Proceedings

When the Center receives a report of allegations that fall within its exclusive authority, or accepts jurisdiction over allegations within its discretionary authority, it will notify the relevant NGB, HPMO, and/or the USOPC, conduct a preliminary inquiry, and, if appropriate, undertake an investigation to determine whether a Participant violated the Code.

B. Substantive Standards and Procedural Rules

Where the alleged conduct by a Participant occurred prior to the effective date of the Code, the Center may apply other substantive standards in effect at the time of the conduct that are analogous to Prohibited Conduct, including then effective criminal laws and/or previous standards promulgated by the U.S. Center for SafeSport, NGB, LAO, HPMO, or USOPC. However, in all cases, these resolution procedures will be used to investigate and resolve matters, regardless of when the incident of Prohibited Conduct occurred.

C. Standard of Proof

The Center bears the burden of gathering sufficient evidence to reach a determination, based on the preponderance of the evidence, that a Participant violated the Code. A “preponderance of the evidence” means “more likely than not.”

D. Consolidation

Matters involving more than one Claimant and/or more than one Respondent may, in the Center’s discretion, be consolidated into a single matter.

E. Related Proceedings

1. Effect of Criminal or Civil Proceedings

Because the standards for finding a violation of criminal law are different from the standards for finding a violation of the Code, the resolution of a criminal proceeding without a Criminal Disposition is not determinative of (but may be relevant to) whether a violation of the Code has occurred. Conduct may violate the Code even if the Respondent is not charged, prosecuted or convicted for the behavior that could constitute a potential violation of the Code, is acquitted of a criminal charge, or legal authorities decline to prosecute.

Apart from the application of the Code as it relates to Criminal Charge(s) and Disposition(s), the Center’s resolution will not be precluded merely because (a) a civil case or criminal charges involving the same incident or conduct have been filed, (b) criminal charges have been dismissed or reduced; or (c) a civil lawsuit has been settled or dismissed.

2. No Waiver of Other Legal Remedies

Participating in the Center's process does not extend or restrict a person's right to file charges or claims regarding the underlying allegations with any other agency, law enforcement, or court. This is not intended to create or grant a right of action against the Center or in any way waive the Center's, the USOPC's, an NGB's, or any other applicable party or entity's immunity, if any, under the Protecting Young Victims from Abuse and Safe Sport Authorization Act of 2017 or any other legal theory.

F. Coordinating with Law Enforcement

The Center may contact any law enforcement agency that is conducting its own investigation to inform that agency that the Center is also investigating, to ascertain the status of the criminal investigation, and to determine the extent to which any evidence collected by law enforcement may be available to the Center in its investigation. At the request of law enforcement, the Center may delay its investigation temporarily while an external law enforcement agency is gathering evidence. The Center will resume its investigation when notified that law enforcement has completed the evidence-gathering stage of its criminal investigation. The Center may also provide some or all of its case information, documentation, or evidence to law enforcement.

G. Statute of Limitations or Other Time Bars

The Center assesses a Participant's fitness to participate in sport. As past conduct informs current fitness, no criminal, civil, or rules-based statutes of limitations or time bars of any kind prevent the Center from investigating, assessing, considering and adjudicating any relevant conduct regardless of when it occurred.

H. Temporary Measures

The Center may, at any point before a matter is final, impose temporary measures as set forth below.

I. Methods of Resolution

1. Administrative Closures

The Center, in its discretion, may administratively close a matter. This may be done as a result of insufficient evidence, a Claimant(s) who elects not to participate in the resolution process, or other factors as determined by the Center. The Center may, upon receipt of new information or evidence, or a change in circumstances, reopen the matter for further investigation.

2. Informal Resolution

A Respondent may, at any time before a matter is final, elect to resolve allegations of Prohibited Conduct by accepting responsibility for a policy violation. A Participant's doing so provides for the

opportunity to informally resolve the matter, and the Center will determine the appropriate sanction. An informal resolution is not a settlement, but does constitute a final and binding disposition of the matter. The outcome and/or sanctions of an informal resolution may be published by the Center.

3. Formal Resolution

A Formal Resolution occurs after the Center has completed an investigation and either closes the matter or, if a violation is found, issues its Decision. A Respondent may request a hearing of the Center's Decision.

J. Participation

1. Parties

The parties to an investigation and arbitration are the Center and the Respondent. During the investigation, the Claimant and Respondent will have an opportunity to submit information and relevant evidence, to identify witnesses who may have relevant information, and to submit questions that they believe should be directed by the investigator to each other or to any witness.

Neither the Claimant nor Respondent are required to participate in the investigation nor any form of resolution under these procedures. However, full cooperation and participation in the resolution process is important to ensure that all relevant

information and evidence are presented so the Center can determine whether a Code violation occurred. If a Claimant or Respondent declines to cooperate or participate in an investigation, the Center will make its decision based on the available evidence; alternatively, the Center may, in its discretion, choose not to proceed.

- a. Where a Claimant declines or is otherwise unable to participate in an investigation or hearing, the Center's ability to resolve the allegations may be limited. In such cases, the Center may pursue the report if it is possible to do so without the Claimant's participation in the investigation or resolution (e.g., where there is other relevant evidence of the Prohibited Conduct, such as recordings, corroborating reports from other witnesses, or physical evidence). Even with such evidence, however, the Center may only be able to respond to the report in limited and general ways.
- b. If during the investigative process (i.e., prior to the Decision being issued), information or evidence that is available to the Respondent, including testimonial evidence, is not provided to the investigator, such information or evidence will not be considered in determining whether a violation of the Code occurred.

If such information or evidence is provided after a Decision has been issued, absent good cause, it will be afforded less weight during any

subsequent Arbitration. The Center may reopen the investigation to determine the evidentiary value of, or gather additional evidence related to, such evidence. The arbitration-related costs associated with any delay will be borne by the Respondent.

2. Advisors

Throughout the resolution process, Claimant(s) and Respondent(s) each have the right to choose and consult with an advisor. The advisor may be any person, including an attorney, who is not otherwise a party or witness involved in the investigation or hearing. The Claimant and Respondent may be accompanied by their respective advisors at any meeting or proceeding related to the investigation, hearing and resolution of a report under these procedures. While the advisors may provide support and advice to the parties at any meeting and/or proceeding, they may not speak on behalf of the Claimant or Respondent, or otherwise participate in such meetings and/or proceedings except as provided herein.

3. Witnesses

Witnesses who are Participants are expected to participate and cooperate in the Center's investigation and any associated proceedings. Any witness likely to provide testimonial evidence in an Arbitration must, if requested, consent to be interviewed by the Center within a reasonable time

prior to any hearing. If such witness refuses to be interviewed, the witness's testimonial evidence will neither be admitted nor considered at an Arbitration. The Center may request a postponement of any hearing to allow sufficient time to interview witnesses and follow-up as necessary.

K. Recordings

No audio or video recording of any kind is permitted during interviews or meetings, except as authorized and conducted by the Center.

L. Prior or Subsequent Conduct

Prior or subsequent conduct of the Respondent may be considered for any purpose, including in determining pattern, knowledge, intent, motive, or absence of mistake. For example, evidence of a pattern of Prohibited Conduct by the Respondent, either before or after the incident in question, regardless of whether there has been a prior finding of a Code violation, may be deemed relevant to determining responsibility for the conduct under investigation. Determining the relevance of pattern evidence will be based on an assessment of whether the previous or subsequent conduct was substantially like the conduct under investigation or indicates a pattern of similar Prohibited Conduct.

Evidence regarding a Claimant's prior sexual history or sexual predisposition is neither relevant nor admissible, except when prior sexual acts between the Claimant and Respondent are offered to prove Consent.

M. Relevance

The investigator has the discretion to determine the relevance of any proffered evidence and to include or exclude certain types of evidence. In general, the investigator will not consider statements of opinion as to any person’s general reputation for any character trait, rather than direct observations or reasonable inferences from the facts.

N. Investigation Report

A final Investigation Report will be prepared that sets forth the investigator’s findings of fact and may make a recommendation as to whether the Code has been violated. This report will be shared with the Claimant(s) and Respondent(s) upon issuance of the Decision. The Investigation Report and any attachments are considered confidential.

O. Decision

The Center will determine whether there is sufficient information, by a preponderance of the evidence, to support a finding that Respondent violated the Code. If there is a finding that the Respondent violated the Code, the Decision will note the violation and identify an appropriate sanction(s). The Claimant and Respondent will be notified of the Decision. Such Notice of Decision will set forth any violation(s) of the Code, as supported by the rationale set forth in the Decision and

Investigation Report; the sanction(s) imposed against the Respondent (if applicable); and the rationale for any sanction(s) imposed. The Notice of Decision is considered confidential, however, the outcome reflected in the Decision—including whether a violation was found, the nature of the underlying misconduct, and any sanctions imposed—is not.

P. Enforcement

All temporary measures and/or sanctions imposed by the Center shall be in effect immediately upon issuance. The sanction imposed by the Center shall be enforced by the USOPC, NGBs, LAOs, and HPMOs as set forth herein.

Q. Requesting a Stay of the Sanction(s)

At any time, the Center—on its own or at the request of a Respondent—may stay a sanction(s). Whether to stay a sanction(s) is within the Center’s sole discretion and is not reviewable.

R. Requesting Arbitration Hearing

Upon issuance of a Decision, a Respondent has ten Days to request a hearing before an arbitrator. If Respondent does not make such a request within ten Days, the Decision is no longer subject to review, except as permitted herein.

If a Respondent timely requests that the Center grant an extension of time to request an Arbitration, the Center may, in its discretion, grant such request.

S. Reopening a Matter

At any time, the Center—on its own or at the request of a Claimant or Respondent—may reopen a matter based upon new evidence that was previously unavailable or a change in circumstances that could substantially impact the original finding or sanction. Whether to reopen a case is within the Center’s sole discretion and is not reviewable.

T. Confidentiality – Release/Use of Materials

The following documents and/or evidence related to the response and resolution process must remain confidential, in that they may not be disclosed outside of the proceedings, except as may be required by law and/or authorized by the Center: the Notice of Decision; the Investigation Report and any documents and/or evidence attached thereto, including interview statements of a Claimant, Respondent, or other witnesses; any audio recordings or transcripts of those recordings created as part of the investigative process; all documents and/or evidence submitted to or prepared by the arbitrator, including any hearing transcripts. Violation of this provision, including by an advisor for an involved party, may constitute an Abuse of Process.

While the physical documentation must remain confidential, the relevant NGB, HPMO, the USOPC, or its affiliates may disclose the outcome of the matter, including the Summary of Decision, to those parties or organizations with a need to know so that the outcome can be properly effectuated and/or understood.

Additionally, subject to the Abuse of Process provision (including the prohibition on identifying a Claimant), the Center does not impose any restrictions on a Claimant’s or Respondent’s ability to discuss the incident, their participation in the Center’s process, or the outcome of that process.

If any person or entity misrepresents the process, the underlying facts, or the outcome of a matter, the Center reserves the right to publicly correct the record.

XII. TEMPORARY MEASURES

A. By the Center

1. Purpose

The Center may implement Temporary Measures at any time. Generally, Temporary Measures are implemented based on the severity of the allegations, the evidentiary support for the allegations, and/or the perceived risk to athletes or the sport community.

When the allegations involve child sexual abuse, the age of those allegations is not relevant to this determination.

2. Remedies

Temporary measures may include, but are not limited to, altering training schedules, providing or requiring chaperones, implementing contact limitations, implementing measures prohibiting one-on-one interactions, and suspensions from participation in some or all aspects of sport activity. If measures require monitoring or chaperoning, the Respondent may be required to locate, arrange and/or pay for some or all of those services as a condition of continued participation pending completion of the investigation.

3. Effective Immediately

A Temporary Measure shall be effective immediately upon notice, unless stated otherwise. Temporary Measure(s) will remain in effect until the Center expressly removes the Temporary Measure(s).

4. Review by Arbitrator

In all instances where a Temporary Measure materially affects the opportunity to participate (e.g., suspension), the Participant may challenge the measure by requesting an Arbitration, in accordance with Arbitration Rule 40.

5. Modifiable

The Center may modify a Temporary Measure at any time.

6. Failure to Comply with Temporary Measures

Failure to comply with a Temporary Measure(s) constitutes an independent violation of the Code.

B. By the USOPC, NGB, LAO, or HPMO

1. Nothing in the Code prevents the USOPC, NGB, LAO, or HPMO from enacting appropriate temporary measures before the Center exercises jurisdiction, including without limitation a temporary suspension, under the relevant organization's policies and procedures.
2. The Center will issue a Notice of Exercise of Jurisdiction to the USOPC, NGB, LAO, or HPMO when the Center determines it has jurisdiction over an allegation of Prohibited Conduct.
3. Upon the Center's issuance of a Notice of Exercise of Jurisdiction, any temporary measures previously imposed by the USOPC, NGB, LAO, or HPMO will be automatically and immediately adopted by the Center as its own, and will be applicable throughout all Olympic, Paralympic, Pan American and Para Pan sports in the United States, and will remain in effect unless and until the Center modifies those measures.

4. If, and when, the Center expressly exercises jurisdiction over particular allegations regarding a particular Participant, the USOPC, NGB, LAO, or HPMO cannot issue—in response to those allegations—a suspension or other restriction that may deny or threaten to deny a Respondent’s opportunity to participate in sport. The relevant organization may implement any necessary safety plan(s) or temporary measure(s).

XIII. SANCTIONS

Where there is sufficient evidence through the resolution procedure to support a finding that a Participant violated the Code, the Center will determine whether and/or the extent to which a Participant may participate in sport and may impose one or more sanctions. Different incidents constituting a violation of the same policy may arise out of markedly different circumstances, including various case-specific aggravating and/or mitigating factors.

A. Sanctions

One or more of the following sanctions may be imposed singularly or in combination:

- *Written warning*
An official, written notice and formal admonition that a Participant has violated the Code and that more severe sanctions will result should the Participant be involved in other violations.

- *Probation*
A specified period of time during which, should any further violations of the Code occur during the probationary period, it will result in additional disciplinary measures, likely including a period of suspension or permanent ineligibility. This sanction can also include loss of privileges or other conditions, restrictions, or requirements.

- *Suspension or other eligibility restrictions*
Suspension for a specified period of time from participation, in any capacity, in any program, activity, Event, or competition sponsored by, organized by, or under the auspices of the USOPC, any NGB, any LAO, and/or any HPMO, or at a facility under the jurisdiction of the same. In the Center’s discretion, a suspension may include restrictions or prohibitions from some types of participation but allowing participation in other capacities.

A suspended Participant is eligible to return to sport after the suspension lapses, but reinstatement may be subject to certain restrictions or contingent upon the Participant satisfying specific conditions noted at the time of suspension.

- *Ineligibility*
Ineligibility to participate until further notice, in any capacity, in any program, activity, Event, or competition sponsored by, organized by, or under the auspices of the USOPC, any NGB, any LAO, and/or any HPMO, or at a facility under the jurisdiction of

the same. Ineligibility is typically imposed when a Respondent has pending charges, in violation of the Criminal Charges and/or Disposition provision.

- *Permanent Ineligibility*
Permanent ineligibility to participate, in any capacity, in any program, activity, Event, or competition sponsored by, organized by, or under the auspices of the USOPC, any NGB, any LAO, and/or any HPMO, or at a facility under the jurisdiction of the same.
- *Other discretionary sanctions*
The Center may, in its discretion, impose other sanctions for Prohibited Conduct, including, but not limited to, other loss of privileges, no contact directives, requirement to complete educational or other programs, or other restrictions or conditions as deemed necessary or appropriate.

B. Considerations

Factors relevant to determining appropriate sanctions include, without limitation:

1. The Respondent's prior history;
2. A pattern of inappropriate behavior or misconduct;
3. The ages of individuals involved;
4. Whether the Respondent poses an ongoing and/or potential threat to the safety of others;

5. Respondent's voluntary disclosure of the offense(s), acceptance of responsibility for the misconduct, and/or cooperation in the Center's process;
6. Real or perceived impact of the incident on the Claimant, the USOPC, NGB(s), LAO(s), HPMO(s), or the sporting community;
7. Whether given the facts and circumstances that have been established, continued participation in the Olympic & Paralympic Movement is appropriate; and/or
8. Other mitigating and aggravating circumstances.

Any single factor, if severe enough, may be sufficient to justify the sanction(s) imposed.

C. Publication

The Center may maintain a publicly-available searchable database of Participants who have been sanctioned by or whose eligibility has in some way been restricted by the Center, the USOPC, an NGB, an LAO, and/or an HPMO.

XIV. Arbitration Rules

1. Application

These Rules shall apply to arbitrations arising out of the Code. No other arbitration rules shall be applicable. Each Participant, by virtue of membership, affiliation, or participation or other activity making them subject to the jurisdiction of the Center, agrees to abide by and be

subject to these Arbitration Rules as the sole and exclusive method of resolving any challenge to the Center's eligibility decision(s) or the Center's processes.

2. Scope

Arbitration shall resolve whether a Respondent violated the Code and the appropriate sanction.

3. Arbitrator Qualifications

The pool of arbitrators for the Center's cases shall consist of individuals who are U.S. citizens and meet the SafeSport Arbitrator Qualifications (Exhibit 2), as determined by the arbitration body. All arbitrators in the Center's arbitrator pool will receive specialized training.

4. Parties

The parties to the Arbitration will be the Center and the Respondent. A reference to the parties, the Center, the Respondent or the Claimant will include any parent or guardian of a Minor, unless otherwise stated herein.

5. Advisor

A Claimant or Respondent may have a single advisor, at that party's own expense. The advisor may but need not be an attorney.

The Respondent's advisor, if any, may participate in the pre-hearing conference, confer with the Respondent during the hearing, clarify procedural questions, present

opening and closing arguments on behalf of the Respondent, suggest questions to the Respondent and the arbitrator during witness examinations, or to the extent direct examination by the parties is permitted, question witnesses on behalf of the Respondent.

A Claimant or Respondent intending to have an advisor shall notify the Center and the arbitration body of the name and address of the advisor a minimum of 24 hours before the date set for the hearing or other proceeding at which the advisor is first to appear. The parties are responsible for keeping the arbitration body informed of any changes in advisors. Notice given to a designated advisor shall be deemed notice to the advisee.

6. Confidentiality

The arbitration, including all pre-hearing matters, shall be subject to the confidentiality provisions set forth in the Code and other confidentiality policies adopted by the Center.

7. Initiating Arbitration

After receiving a request for an Arbitration hearing, the Center will send a notice to the Respondent and the Arbitration administrator informing them that an Arbitration has been initiated and requesting confirmation of an email address to which notice will be deemed received upon mailing to such address. The notice shall set forth (i) the alleged violation; (ii) the sanction determined by the Center; (iii) the recipient's confidentiality obligations; and (iv) that any recipient

who violates confidentiality obligations shall be subject to the jurisdiction of the Center and may be held, after proper process, to have violated the Code. The Arbitration will be deemed initiated upon receipt by the administrator of the necessary fees.

8. Number of arbitrators

There shall be one arbitrator.

9. Arbitrator appointment – Merits Arbitration

- a. Promptly after Arbitration is initiated, the Arbitration body will send simultaneously to Respondent and the Center an identical list of nine arbitrators, all of whom shall be attorneys or retired judges. The parties are encouraged to agree to an arbitrator from the submitted list and to advise the Arbitration body of their agreement.
- b. Within 48 hours after receiving the arbitrator list, the Center and the Respondent each may strike the names of up to two arbitrators from the list and return the list to the Arbitration body. If a party does not return a strike list within the time specified, all persons named in the list shall be deemed acceptable to that party. The names stricken by a party will not be disclosed to the other party.
- c. From among the persons not stricken by the parties, the Arbitration body shall invite an arbitrator to serve. If, for any reason, an arbitrator cannot be appointed from the submitted lists, the Arbitration

body shall have the power to make the appointment from among the other attorneys or retired judges of the pool, not to include any arbitrator previously stricken by a party.

10. Notice to Arbitrator of Appointment

Notice of the appointment of the arbitrator, whether appointed by the parties or by the Arbitration body, shall be sent to the arbitrator by the Arbitration body, together with a copy of these Rules. A signed acceptance by the arbitrator shall be filed with the Arbitration body.

11. Jurisdiction and conflicts of Interest

a. Jurisdiction

The arbitrator shall have the power to rule on the arbitration body's jurisdiction, including any objections with respect to the existence, scope or validity of the Arbitration agreement. Any challenges to the arbitrator's jurisdiction must be made in the position statement and shall be decided at or before the commencement of the hearing.

b. Conflicts of interest

Any person appointed as an arbitrator shall disclose to the arbitration body any circumstance that could affect impartiality or independence, including any bias, any financial or personal interest in the result of the Arbitration, or any past or present relationship with the parties or witnesses.

The arbitration body shall communicate any information concerning a potential conflict of interest to the relevant parties and, as appropriate, to the arbitrator.

A party may file an objection with the Arbitration body contesting an arbitrator's continued service due to a conflict of interest. Upon receiving an objection, the arbitration body shall determine whether the arbitrator should be disqualified and shall inform the parties of its decision, which shall be conclusive. The parties may agree in writing that an appointed arbitrator subject to disqualification will not be disqualified.

c. Replacing a conflicted arbitrator

If the arbitration body determines that a selected arbitrator has a conflict of interest with one of the parties and the parties do not agree to waive the conflict, then the arbitration body shall select a substitute arbitrator from the remaining attorneys or retired judges not stricken by the parties. If the appointment cannot be made from the list, the arbitration body shall have the power to make the appointment from among other attorneys or retired judges in the arbitrator pool without the submission of additional lists, not to include any arbitrator previously stricken by a party.

12. Vacancies

If an arbitrator is no longer able to hear a case for which the arbitrator has been appointed, the arbitration body

shall select a substitute arbitrator from the remaining attorneys or retired judges not stricken by the parties. If the appointment cannot be made from the list, the arbitration body shall have the power to make the appointment from among the other attorneys or retired judges of the full arbitrator pool without the submission of additional lists, not to include any arbitrator previously stricken by a party.

13. Submissions to and Communication with Arbitrator

Except as provided herein, no party shall communicate unilaterally concerning the arbitration with an arbitrator or a candidate for an arbitrator position. Any documents submitted by any party to the arbitration body or to the arbitrator (with the exception of arbitrator strike lists and, when appropriate, *ex parte* submission of witness questions) shall simultaneously be provided to the other party or parties to the arbitration.

14. Hearing Concerning Sanctions and Criminal Charges or Dispositions

If a Respondent requests a hearing concerning only the Center's sanctions, or regarding a Criminal Charge or Disposition, the following Rules apply:

a. Scope

The violation and the underlying facts will be deemed established and irrebuttable. The arbitrator will determine whether the Center's sanctions are

appropriate given the facts and circumstances, as established.

b. Standard of review

The arbitrator is authorized to modify the sanction only upon finding that the Center abused its discretion.

c. Briefing

Within ten Days of the arbitrator's appointment, the Respondent shall file a position statement setting forth the basis for the challenge to the sanction. Within seven Days of the Respondent's filing, the Center shall file its position statement.

d. Oral argument

The decision shall be based on the parties' briefs and the Decision. However, the arbitrator may in the arbitrator's discretion allow for oral argument.

e. Decision

The arbitrator will render a final and binding written decision to all parties within five Days from briefing, or if oral argument is allowed, within five Days of oral argument.

15. Pre-Hearing Conference

- a. The arbitrator shall schedule as soon as practicable a preliminary pre-hearing conference with the parties by telephone or video conference, but no sooner than four Days and no later than 10 Days after the arbitrator is appointed.
- b. At least two Days before the pre-hearing conference, the Respondent shall provide the Center and arbitration body with a written answer to the Center's Decision against him/her (to include a written statement containing Respondent's summary of the factual rebuttal to the violation and the defenses the Respondent intends to raise at the arbitration) and the documentary evidence and witnesses that the Respondent intends to present at the hearing. If the Respondent fails to submit the required information, the arbitrator has the discretion to deny its admittance at the arbitration.
- c. The pre-hearing conference will be directed by the arbitrator and shall be the exclusive opportunity of the parties to address issues that need to be resolved before the hearing, including, but not limited to:
 - i. The timeline for the exchange of position statements, list of evidence, and list of witnesses. The position statement shall address any expected evidentiary issues, challenges to jurisdiction, and any other disputed issues.

- ii. The scheduling and logistics of the hearing, to include without limitation the amount of time each side will have to present its evidence. Absent exceptional circumstances, the arbitrator will schedule the hearing to be completed within a single, eight-hour day. The arbitrator may schedule more than one pre-hearing conference only if the arbitrator determines that an additional conference is necessary.
- iii. The arbitrator shall issue a written decision memorializing decisions made and agreements reached during or following the pre-hearing conference.

16. Discovery

There shall be no discovery.

17. Date and Time of Hearing

The arbitrator shall use best efforts to ensure that the hearing is completed and the decision rendered within 15 Days of the pre-hearing conference.

Although the arbitrator shall make reasonable accommodations to the parties and their advisors with regard to scheduling, the parties and their advisors have a duty to be reasonably available to ensure the ability of the arbitration process to render a reasonably prompt result. The arbitrator, in the arbitrator's sole discretion,

may rule that the unavailability of a party's advisor is not grounds for postponing the hearing.

Failure by the arbitrator or the Center to adhere to the timelines set forth herein shall not be grounds for overturning the arbitrator's decision.

18. Place of Hearing

The hearing will be conducted telephonically or by videoconference except as authorized by the arbitrator in extraordinary circumstances, in which case the hearing may be held in person at a location in the United States determined by the arbitrator. If a hearing is held in person, the arbitrator may nonetheless permit Claimant(s) or witness(es) to appear behind screens, by telephone or via videoconference.

19. Attendance

Unless the arbitrator and the parties agree otherwise, only the following individuals shall be present at the hearing: (1) the Center's representatives; (2) the Respondent; (3) the Claimant(s); (4) the Claimant(s) and Respondent's respective advisors; and (5) witnesses during their own testimony.

20. Oaths

Before proceeding with the hearing, each arbitrator will take an oath of office if required by law. The arbitrator will require witnesses to testify under oath if it is required by law.

21. Interpreters

All arbitration proceedings shall be conducted in English. Any party who would like an interpreter is responsible for coordinating directly with the interpreter and is responsible for the costs of the interpreter service. The interpreter must be free of conflicts of interest and approved by the Center.

22. Continuance

The arbitrator may continue any hearing upon agreement of the parties, upon request of a party or upon the arbitrator's own initiative. Unless agreed, postponements shall be discouraged and only granted in compelling circumstances. A party or parties causing a postponement of a hearing will be charged a postponement fee, as set forth in the arbitration fee schedule.

23. Arbitration in the Absence of a Party or Advisor

Subject to Section XI(J), the arbitration may proceed in the absence of any party or advisor who, after notice, fails to be present or to obtain a postponement. The arbitrator shall require the party who is present to submit evidence that the arbitrator may require for the making of a decision.

24. Standard of Proof

The Arbitration shall use a preponderance of the evidence standard to determine if a Participant has violated the Code.

25. Rules of Evidence

- a. Strict conformity to legal rules of evidence shall not be necessary, and hearsay evidence may be considered.
- b. The Center's Decision and Investigative Report with Appendices shall be admitted into evidence and the arbitrator shall give them appropriate weight.
- c. The arbitrator shall determine the admissibility, relevance and materiality of the evidence offered and may exclude evidence deemed by the arbitrator to be cumulative, irrelevant or unreliable.
- d. The arbitrator shall take into account applicable principles of privilege, including without limitation those involving the confidentiality of communications between an attorney and client and between a physician and patient.
- e. Any statement from a Minor, be it written, recorded or live, and whether direct or hearsay, shall be admissible.

26. Evidence by Affidavit

The arbitrator may receive and consider the evidence of witnesses by declaration or affidavit and shall give it such weight as the arbitrator deems appropriate after considering any objection made to its admission.

27. Hearing

Unless the parties agree that the arbitrator can determine the case without an oral hearing and on written briefing alone (which the parties may do whether the matter relates to liability and sanctions or sanctions only), the arbitrator will hold an oral hearing.

a. Arbitrator to manage proceedings expeditiously

The arbitrator, exercising discretion, shall conduct the proceedings expeditiously and may direct the order of proof, bifurcate the hearing between the violation and sanction portions of the hearing, and direct the parties to focus their presentations on issues the decision of which could dispose of all or part of the case.

b. Opening Statements

Each party shall be entitled to present a concise opening statement prior to the presentation of evidence. The Center or its advisor shall present its opening statement first, followed by the Respondent.

c. Presenting evidence

Both the Center and the Respondent shall be entitled to an equitable amount of time to present evidence in support of or in opposition to the alleged violations, as determined by the arbitrator at the pre-hearing conference. Absent exceptional circumstances, the parties will be expected to complete the hearing in a single, eight-hour business day. The arbitrator will track the time used by each party during the course of proceedings and enforce the time limits to ensure equitable time to both parties. The parties will be permitted, subject to any pre-hearing orders, to present documentary evidence through the submission of exhibits and to present testimony through affidavit or in-person testimony of witnesses.

The Center will present its evidence first. The Respondent will present its evidence second. The Center may then present any rebuttal evidence.

d. Examining witnesses

1. The Claimant shall be subject to questioning by only the arbitrator unless the Claimant agrees to direct examination and cross-examination by the opposing party.
2. Unless the Claimant elects to be questioned directly by the parties, no later than five Days before the hearing, the Center and the Respondent each may submit, *ex parte* to the

arbitrator, proposed questions and lines of inquiry for the questioning of the Claimant. The arbitrator will review the submitted questions and lines of inquiry and will, in the arbitrator's discretion, determine which are appropriate and relevant based on the understanding of the matter and to ensure the arbitrator's ability to render a decision in the matter. The arbitrator also may ask such other questions which the arbitrator deems appropriate.

3. If the arbitrator has been the sole questioner of the Claimant, then after the arbitrator's direct questioning of the Claimant is completed, the witness will be temporarily excluded from the hearing so that the arbitrator can discuss with each of the parties separately appropriate follow-up questions or supplemental lines of inquiry for the arbitrator to consider. The arbitrator will ask follow-up questions of the witness that the arbitrator deems appropriate.
4. The parties may question all other witnesses directly, provided that the arbitrator shall have the authority to limit questioning of witnesses or lines of inquiry based on, without limitation, relevance, that the questioning is cumulative, the age or mental capacity of the witness, or that the questioning has become harassing or abusive.
5. Examining Minors – the presumption is that a Minor will not testify live at a hearing; however, with the permission of the Minor's parents or

guardians (or in extraordinary circumstances, without such permission), the Minor may testify if so desired.

The arbitrator shall determine the manner in which Minor's evidence shall be given, including whether any or all questioning of the Minor (live or via video) will be completed outside the presence of their parent(s) or guardian(s), bearing in mind (a) the objective of achieving a fair hearing, (b) the possible damage to a Minor's welfare from giving evidence, and (c) the possible advantages that the Minor's evidence will bring to determining the facts.

A Minor may only be asked to testify in exceptional circumstances as determined by the arbitrator. In making this decision, the arbitrator shall consider:

- a. the Minor's wishes and feelings, in particular, the Minor's willingness to give evidence (an unwilling Minor should rarely, if ever, be obligated to give evidence);
- b. the Minor's particular needs and abilities;
- c. whether the case depends on the Minor's allegations alone;
- d. corroborative evidence;
- e. the age of the Minor;

- f. the maturity, vulnerability, understanding, capacity and competence of the Minor;
- g. whether a matter can be properly adjudicated without further questioning of the Minor;
- h. the wishes and views of any parent, person with parental responsibility for the Minor, or any guardian, if appropriate; and
- i. whether the Minor has given evidence to another tribunal or court related to the subject matter of the proceeding, the way in which such evidence was given, and the availability of that evidence.

e. Role of the Claimant

The Claimant is not a party, but has the right to be present during the hearing and to give testimony as a witness if called, but shall not otherwise participate in the hearing.

f. Closing statements

Each party will be entitled to present a concise closing statement after the close of evidence and before the hearing is concluded. The Center will present its closing statement first, followed by the Respondent, and the Center will be allowed time for a reply.

g. Hearing closed to the public

The hearing shall be closed to the public.

i. No disclosure of information

All information obtained by the Center, Respondent or the Claimant during the arbitration, including the arbitral decision, shall be deemed confidential not to be disclosed outside of the Center's process except as expressly provided herein.

ii. Recording

At the request of any party or the arbitrator, hearings shall be recorded by the arbitration body and retained by the Center in its confidential files, but shall not be made available to any party or third party except as determined by the Center or any lawful order of a Court. The requesting party is responsible for arranging and paying for the recording.

28. Closing of Hearing

After all evidence has been submitted at the hearing, the arbitrator shall specifically inquire of each party whether it has any further evidence to offer or witnesses to be heard. Unless the arbitrator determines that additional evidence or witness(es) are required to resolve the controversy, the arbitrator will declare the hearing closed.

There shall be no post-hearing briefing ordered except in exceptional circumstances. If documents or responses are to be filed as directed by the arbitrator, or if briefs are to be filed, the hearing shall be declared closed as of the final date set by the arbitrator for the receipt of briefs.

29. Waiver of Rules

Any party who proceeds with the arbitration after knowledge that any provision or requirement of these Rules has not been complied with and who fails to promptly state an objection in writing shall be deemed to have waived the right to object to such noncompliance.

30. Extensions of Time

For good cause shown, the arbitrator may extend any period of time established by these Rules, except the time for making the decision, keeping in mind the need to resolve these disputes expeditiously; the unavailability of an advisor—after an arbitrator’s efforts to reasonably accommodate the advisor’s schedule—shall not be considered good cause except in exceptional circumstances. The arbitrator shall notify the parties of any extension.

31. Notice and Receipt

The parties each must provide an email address to the arbitration body and opposing parties/advisors upon initiation of an arbitration under the Rules. Notice sent to that email address shall be considered actual notice to the party effective upon delivery.

32. Decisions

a. Time

The reasoned decision shall be made promptly by the arbitrator after the close of evidence, and, unless otherwise agreed by the parties or specified by law, no later than seven Days from the date of close of the evidence or any briefing ordered by the arbitrator. To allow the Center sufficient time to arrange to share the outcome with the Claimant(s), the arbitration body will initially transmit the decision to the Center. Four hours later, the Center shall share the outcome with the Claimant(s) and the arbitration body shall transmit the decision to the Respondent(s).

b. Form

In all cases, the arbitrator shall render a written, reasoned final decision, which shall be signed by the arbitrator. All identifying information of the Claimant (including name), and witnesses (other than the Respondent) shall be redacted. If the arbitrator determines that there has been no violation, then the Respondent may request that the arbitrator redact their name and/or identifying information in the final decision.

c. Scope

The arbitrator may grant such remedy or relief the arbitrator deems just and equitable and within the scope of the Code and the Sanctioning Guidelines.

d. Delivery to parties

The final decision shall be deemed delivered to the parties if transmitted as provided in these Rules.

33. Modifying Decision

Within three Days after the transmittal of the arbitrator’s final decision, any party, upon notice to the other parties, may request the arbitrator, through the arbitration body, only to correct any clerical, typographical, or computational errors in the decision. The arbitrator is not empowered to re-determine the merits of any matter already decided. The other parties shall be given two Days to respond to the request. The arbitrator shall dispose of the request within two Days after transmittal by the arbitration body to the arbitrator of the request and any response thereto.

34. No Appeal

The arbitration decision shall be considered final and binding. The parties waive, to the fullest extent permissible by law, any right to challenge in court the arbitrator’s decision.

35. Filing Fees and Expenses

- a. The arbitration body shall prescribe filing and other administrative fees and expenses to compensate it for the cost of providing services. The fees in effect when the fee or charge is incurred shall be applicable.

b. Initiating arbitration

i. Arbitration fees and expenses

The Respondent shall pay a full deposit for all fees and expenses associated with the arbitration as set forth in Exhibit 1. If, within 30 calendar days of the request for arbitration, the Respondent fails to provide the deposit, the Center or the arbitration body will issue a notice of failure to pay. If payment is not made within five Days after the notice of failure to pay is issued, or an extension is not granted, then the opportunity to request arbitration lapses and the Decision is final.

ii. Hardship exemption

Respondents may, at the discretion of the Center, obtain a hardship exemption from payment of some of these fees through written certification that they have insufficient funds to cover arbitration.

36. Other Fees and Expenses

The expenses of witnesses for any party shall be paid by the party producing such witnesses. Parties shall be responsible for their own advisor’s fees and costs, and all other expenses not expressly assumed by the Center. A party who successfully seeks a continuance shall pay a continuance fee as set forth in Exhibit 1.

37. Arbitrator's Compensation

Arbitrators shall be compensated at the rates set forth in the arbitration fee schedule (Exhibit 1).

If there is disagreement concerning the terms of compensation, an appropriate rate shall be established with the arbitrator and the arbitration body, and confirmed to the parties. Any arrangement for the compensation of an arbitrator shall be made through the arbitration body and not directly between the parties and the arbitrator.

38. Allocating Fees and Expenses

The arbitrator shall, in the final reasoned decision, allocate fees and expenses as follows:

- a. If a violation is not found, the Center shall reimburse the Respondent for all arbitration fees and expenses paid to the arbitration body, pursuant to Exhibit 1, below.
- b. If the case involves multiple violations, and the arbitrator modifies some violations but not all, the arbitrator has the discretion to allocate the fees and expenses paid to the arbitration body.
- c. If, in a sanctions-only hearing, the sanction is reduced the arbitrator may reapportion responsibility for all arbitration fees and expenses paid to the arbitration body between the Center and the Respondent.

39. Interpreting and Applying These Rules

The arbitrator shall interpret and apply these Rules insofar as they relate to the arbitrator's powers and duties.

40. Temporary Measures

The following Rules govern Temporary Measures hearings.

a. Timing

At any time after Notice of a Temporary Measure, where those temporary measures materially affect the opportunity to participate (e.g., suspension), Respondent may request a hearing which shall take place no later than 72 hours after the Respondent submits the required fees or at such time as the parties otherwise agree.

b. Arbitrator

If the Center imposes or seeks to impose Temporary Measures prior to the appointment of a merits arbitrator on a Decision, then a special arbitrator will be appointed by the arbitration body solely to conduct the Temporary Measures hearing. This special arbitrator shall not be considered for appointment to review a final Decision. If the Center imposes or seeks to impose Temporary Measures after the appointment of an arbitrator for review of a

Decision, then the appointed arbitrator shall conduct the Temporary Measures hearing.

c. Filing fees and expenses

The arbitration body shall prescribe filing and other administrative fees and expenses to compensate it for the cost of providing services. The fees in effect when the fee or charge is incurred shall be applicable. The Center shall pay a deposit for 2/3 of the fees and expenses and the Respondent shall pay 1/3 of the fees and expenses associated with a Temporary Measures arbitration as set forth in Exhibit 1. The Respondent shall not be responsible for filing fees if qualifying for a Hardship Exemption.

d. Procedures

i. Expedited proceedings

The Temporary Measures hearing is an expedited proceeding to quickly resolve whether sufficient evidence exists to satisfy the arbitrator that the temporary relief requested is appropriate based on the known facts and circumstances of the case at the time of the hearing.

Generally, this assessment is based on the severity of the allegations, the evidentiary support for the allegations, and/or the perceived risk to athletes or the sport community. When the allegations involve child

sexual abuse, the age of those allegations is not relevant to this determination.

The Temporary Measures hearing is not intended to be the hearing necessary to finally resolve whether the Respondent has committed a violation or what the appropriate sanctions should be, if a violation is found to have occurred.

It is not a hearing on the merits and is limited to determining if there is reasonable cause to impose the Temporary Measure(s). That is, the Center's choice of Temporary Measures is appropriately tailored to maintain the emotional or physical safety or well-being of the Claimant or other Participants; to protect the best interest of sport and those who participate in it; or, such other valid purpose as set forth by the Center.

ii. Pre-hearing Conference

The arbitrator shall hold a brief pre-hearing conference solely to address scheduling of the hearing.

iii. Position Statements

The Center and Respondent may each submit a position statement of no more than five pages setting forth the basis for their respective positions. Each party may also present such evidence as it deems necessary.

The position statement may also address jurisdictional objections (i.e., whether the Center has jurisdiction over the Respondent) or allegations that the Center failed to follow its procedures.

All other issues and objections, if any, are reserved and preserved for a hearing on the final Decision, if any.

iv. Length of Hearing

Except in exceptional circumstances, the Temporary Measures hearing will last no longer than two hours.

e. Standard of review

To affirm Temporary Measures, the arbitrator must find based on the evidence presented, that: (i) the measure is reasonably appropriate based on the seriousness of the allegations and the facts and circumstances of the case as they appear to the arbitrator; (ii) the measure is reasonably appropriate to maintain the safety or well-being of the Claimant, Athletes, or other Nonathlete Participants; or (iii) the allegations against the Respondent are sufficiently serious that the Respondent's continued participation in the sport could be detrimental to the best interest of sport and those who participate in it. In all cases, there shall be a rebuttable presumption that the allegations, as presented, are true.

f. Decision

The arbitrator may approve, reject, or modify the Temporary Measures imposed or proposed by the Center. The arbitrator shall issue a decision regarding the Center's request for Temporary Measures either orally at the conclusion of the hearing, with a written reasoned order to follow, or by a written reasoned decision issued within 24 hours of the close of the Temporary Measures hearing. The decision is inadmissible and shall be given no weight in an arbitration on the final Decision, if any.

g. No appeal

Neither the Center nor the Respondent may appeal the arbitrator's decision. The denial of the requested relief shall not, however, prejudice the Center's right to seek Temporary Measures in the same case in the future based on information or evidence not previously in the Center's possession. In such cases, the Respondent will be offered another hearing.

XV. ENFORCEMENT

A. Reciprocal Enforcement
