Personal Statement

My goal as an athlete representative has always been to create the best environment possible for our athletes.

I have enjoyed my experience serving my fellow athletes, and hope to continue on this path. I hope that I have helped create a Convention experience that fosters meaningful discussion, creates lifelong friendships, and reminds everyone why we love the sport of swimming. I hope that I have helped enact meaningful change that impacts swimmers at every level.

I am thankful to be a part of a team that works tirelessly for our athletes, and I look forward to seeing the AEC continue its hard work.
