Personal Statement

Hi! I'm Annie Norris and would be completely committed to being on the Athletes Executive Committee. I am passionate about the work I do as an athlete representative and I hope to continue making a difference in the sport I have loved for the past 13 years. I have done a lot of work in learning how to be a leader, trying to develop a cohesive athletes committee for my LSC, and passing on what I have learned to the future Athlete leaders of Gulf Swimming and USA Swimming as a whole. I want to be able to expand my knowledge and reach by being a part of this committee.

I am currently a freshman student athlete at Lehigh University in the Honors Program for Engineering and Design.
