

OFFICIALS CERTIFICATION STANDARDS

FOR UTILIZATION BY LOCAL SWIMMING COMMITTEE (LSC) OFFICIALS

The following standards have been established to provide a clear and uniform path for members who wish to become officials at the local level and enable LSCs to develop and conduct programs to recruit, certify, educate, train, and mentor USA Swimming officials and to provide competent and consistent officiating for our athletes. Furthermore, LSCs are required to implement these standards beginning February 1, 2024. Additionally, all LSCs are required to recognize the certified status of visiting and transferring officials from other LSCs.

The standards are being implemented expressly to facilitate the ability of officials to officiate in LSCs other than the one they received their certification. Additionally, these standards are intended to:

- Ensure a clear and consistent knowledge of the rules.
- Provide sufficient time in training to assure familiarity with all levels of competition.
- Provide opportunity to work on the deck and advance through the certification process.
- Allow automatic acceptance of officials' certifications between all LSCs.
- Ensure professionalism and teamwork while in attendance at a swim event both on and off the deck.

Any LSC official that holds an LSC certification as of 2/1/2024 will be grandfathered into that certification without additional training.

For the positions of Stroke & Turn and Starter, members who have five (5) plus years of USA Swimming as a 13 & Over athlete or coach member need only complete half of the on-deck apprentice requirements provided they show competency in the position, at the discretion of the LSC Officials' Chair (LSC OC) or designee. An athlete or coach may not officiate at a Session in which they are competing or coaching.

In the event it is believed that an official has not shown the necessary competency in the position after completion of the required training and apprentice Sessions, the LSC OC, or designee, shall provide the official with a written action plan of the steps needed to successfully obtain certification. Written notice shall be provided to the official within two (2) weeks of the last apprentice Session (or submission of the appropriate documents to the Certifier), and a copy shall be provided to the LSC OC. An apprentice may always request additional training.
